AGENCY DISCLOSURE ACKNOWLEDGEMENT

Lot No.:
Site Name: Ivy Rouge (Oakville)
Vendor: C.M.B. Estates Corp.

The Purchaser(s) herein acknowledge **Spectrum Realty Services Inc.** has an agency relationship with the Vendor: C.M.B. Estates Corp. and will be compensated through the Vendor. This compensation is usually called commission and usually takes the form of a fee or payment from the Vendor of the real property upon successful completion of the real estate transaction.

An agency relationship is created where one person, known as the principal asks another person, known as the agent, to act for and on behalf of the principal. The principal will define the nature and extent of the relationship. Real estate agency relationships are created when vendors or purchasers ask realtors to act on their behalf in real estate transactions.

An agent who represents a principal (vendor) owes the principal (vendor) the highest duty of "upmost faith", the agent must represent the principal's (vendor) best interest at all times. The agent owes his principal (vendor) a duty of confidentiality regarding information about the principal (vendor). However, the purchaser can expect the realtor to disclose all pertinent information about the property, not to misrepresent any facts, and to honestly answer all questions about the property. This has been a usual form of relationship for many years in the real estate industry.

As Purchaser, I/we confirm and acknowledge being advised that, and consent to the fact that **Spectrum Realty Services Inc.** acts as agent only for the Vendor and will be compensated only by the Vendor.

The Purchaser(s) acknowledge that (Initial One):

The Purchaser(s) acknowledge that they are being represented by a Broker/Sales Representative by a separate Broker Representation Agreement OR

The Purchaser(s) acknowledge that they are Self-Represented and are in receipt of the RECO Information Guide, and the Information and Disclosure to Self-Represented Party Form.

PURCHASERS' ACKNOWLEDGEMENT OF SELECTION AND FINISHES

- 1 **CHANGES TO PLANS:** Changes to plans will not be permitted. Verbal representations of the Sales Agent do not form part of this Agreement.

- 2 **COLOUR CHART SELECTIONS:** The Vendor gives Purchasers the ability to select colours and finishes for their home. The Purchasers acknowledge being informed that those selections must be made in a timely fashion in order for the Vendor to accommodate those requests. The Purchasers understand that they MUST attend at the Décor Centre when requested and that it may be necessary for them to re-attend on one or more occasions. If the Purchasers delay in making their selections, there is the possibility that the items selected may not be able to be installed if the processing of the permit application or the stage of construction of the home has progressed to a point where such installation is no longer feasible.

It is the obligation of the Purchaser to contact the Décor Centre to make any inquires concerning the above matters.

Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you **by your builder** and backed by Tarion.

For more detailed information, visit [tarion.com](https://www.tarion.com) and log into our online learning hub at <https://www.tarion.com/homeowners/homeowner-resources-hub>

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: <https://www.tarion.com/homeowners/homeowner-resources-hub>

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your occupancy date and provides up to a maximum of \$400,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against the unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario's Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty - not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via <https://tarion.com/builders/construction-performance-guidelines>.

Important Next Steps

1. Visit Tarion's website to learn more about your warranty coverage and the process for getting warranty assistance, as well as your rights, responsibilities, and obligations as a new homeowner.

A **Second Tentative Closing Date** can subsequently be set by the Vendor by giving proper written notice at least 90 days before the First Tentative Closing Date. The Second Tentative Closing Date can be up to 120 days after the First Tentative Closing Date, and so could be as late as:

2. Notice Period for a Closing Delay

Changing a Closing date requires proper written notice. The Vendor, without the Purchaser's consent, may delay Closing twice by up to 120 days each time by setting a Second Tentative Closing Date and then a Firm Closing Date in accordance with section 1 of the Addendum but no later than the Outside Closing Date.

Notice of a delay beyond the First Tentative Closing Date must be given no later than: (i.e., at least **90 days** before the First Tentative Closing Date), or else the First Tentative Closing Date automatically becomes the Firm Closing Date.

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed closing compensation and to a full refund of all monies paid plus interest (see sections 7, 10 and 11 of the Addendum).

Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Closing Dates and the Firm Closing Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- (b) **First Tentative Closing Date:** The Vendor shall identify the First Tentative Closing Date in the Statement of Critical Dates attached to the Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Closing Date - Three Ways

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the "Firm Closing Date" for all purposes in this Addendum.

3. Changing the Firm Closing Date - By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates - By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary - the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and
 - (iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;

Freehold Form (Tentative Closing Date)

- ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
- iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates - Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. Yes No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

Condition #1 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is:

The date by which Condition #1 is to be satisfied is .

Condition #2 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is:

The date by which Condition #2 is to be satisfied is .

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the Planning Act, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code - Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):
- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.

Freehold Form (Tentative Closing Date)

- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the Building Code Act) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

1. The Vendor will construct (if not already constructed) and complete upon the Property a Dwelling Unit of the type hereinbefore indicated, in accordance with the plans and specifications filed or to be filed with and approved by the Municipality, as may be amended or modified from time to time. Minor modifications to the plans may not require resubmission to the Municipality for approval and the Purchaser agrees to accept said changes, without notice, to the Dwelling Unit as made by the Vendor even if said changes are not reflected on the plans approved by the municipality.
2. The Purchaser covenants to attend, during the Vendor's regular business hours and as scheduled by the Vendor, within seven (7) days of notification to make colour and other selections from the Vendor's standard samples, such selections to be noted on the Vendor's standard form and when completed shall constitute part of this Agreement (the "Colour Chart"). In the event that any item(s) selected by the Purchaser on the Colour Chart including any extras or upgrades are unavailable or will not be available in a timely fashion (as determined by the Vendor in its sole discretion) the Purchaser shall attend within 7 days of written notification from the Vendor to re-select an alternate, for the unavailable items only. In the event that the Purchaser does not, or refuses to, attend, select or reselect within the times noted herein such failure shall be deemed to be a Fundamental Breach of Contract (hereinafter in this Agreement referred to as "FBOC") entitling the Vendor to terminate this Agreement and all monies paid by the Purchaser pursuant to this Agreement shall be forfeited to the Vendor in addition and without prejudice to any other remedies available to the Vendor arising out of such default. If the Purchaser's failure to attend, select or reselect in a timely manner results in or contributes to the delay of the Closing Date, as determined by the Vendor in its sole discretion, the Vendor may add as an adjustment on the Statement of Adjustments an amount equal to the compensation payable by the Vendor to the Purchaser under the Ontario New Home Warranties Plan Act ("Tarion") together with interest on the outstanding balance of the Purchase Price calculated at the rate of TD-Canada Trust Bank Prime plus 5% per annum, pro-rated for the period of time that the Closing Date was delayed. The Vendor may charge an administrative fee of Three Hundred (\$300.00) Dollars plus HST for missed or cancelled appointments or for second re-booking or more of appointments to complete a Colour Chart, without 2 business days' notice, such amount to be added as an adjustment on the Statement of Adjustments. In the event that the Purchaser requests any amendment to the Colour Chart after the date on which the Colour Chart is finalized and executed by Purchaser, the Purchaser agrees to pay all costs associated with such amendment plus an administration fee of Seven Hundred and Fifty (\$750) Dollars plus HST each time the Colour Chart is modified at the request of the Purchaser. For greater certainty, the Purchaser acknowledges and agrees that the Vendor shall have no obligation to accommodate any requested amendment to the Colour Chart, which shall be in the Vendor's sole and absolute discretion.
3. The Purchaser specifically acknowledges that colour or shade variances sometimes occur in finishes due to manufacturing or ordinary variation within natural products. The Purchaser shall accept any such colour/shade variation resulting from the manufacturing process or from ordinary variation within different samples of natural finishes without any right of abatement of the Purchase Price and in full satisfaction of the Vendor's obligations herein. No changes shall be permitted for those selections which the Purchaser is entitled to make, without the prior written consent of the Vendor (which consent may be arbitrarily withheld), and in the event any item for which the Purchaser has a selection right has been previously installed or completed, then the Purchaser shall be deemed to have accepted the installed/completed item. Notwithstanding anything herein contained, non-installation of such selections by the Closing Date shall not entitle the Purchaser to extend the Closing Date or to an abatement in the Purchase Price.
4. All amounts paid for extras shall be non-refundable in the event that this transaction is not completed for any reason whatsoever save for the default of the Vendor or as required by the Tarion. If any of the extras or upgrades ordered by the Purchaser are not supplied for any reason whatsoever, the Vendor shall refund to the Purchaser on or after the Closing Date the amount paid by the Purchaser in connection with such extras or upgrades, and the amount so paid by the Purchaser (or for which at the Vendor's option, the Purchaser is to receive a credit on the Statement of Adjustments) shall be accepted by the Purchaser as a full and final settlement of any claims by the Purchaser with respect to such extras or upgrades and the Purchaser acknowledges that the Vendor's liability with respect to any and all such extras or upgrades shall be limited to the return of the amounts referred to, as aforesaid, and upon such payment being made or credit being given, the Vendor shall be released from any and all obligations with regard to such extras or upgrades.
5. The Dwelling Unit shall be deemed to be completed when all interior work has been substantially completed as determined by the Vendor, and the Purchaser agrees in such case, provided the Municipality has approved the Dwelling Unit for occupancy and the Vendor has provided the evidence required by Tarion, to close this transaction, without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete the Dwelling Unit. The Purchaser hereby agrees, provided that there are no liens under the Construction Act (the "CA") registered on title to the Property at the Closing Date, to accept the Vendor's covenant of indemnity regarding unregistered lien claims which are the responsibility of the Vendor, its trades and/or suppliers in full satisfaction of the Purchaser's rights under the CA, and will not claim any lien holdback on the Closing Date. If there are any such liens registered against title to the Property on the Closing Date, then in such event the Purchaser shall accept the Vendor's undertaking to obtain, and register, a discharge of such lien and an Order vacating any Certificates of Action registered on title to the Property arising from the Vendor's work and to close on the Closing Date without holdback of any part of the Purchase Price.
6. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality or to comply with specifications in or modifications to the Ontario Building Code or any other applicable legislation. Notwithstanding the Purchaser's right to select finishes, in the event the Vendor through inadvertence installs an incorrect item or omits to install an item selected, then in either of such case the provisions of paragraph 4 above shall apply as if such item were an extra or upgrade.

7. The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling Unit with a walk-out basement, or rear deck where so indicated in this Agreement, or vice versa. In the event that this home is described on the first page of this Agreement as having a "walkout", and such walkout is not appropriate, as determined by the Vendor in its sole, absolute and unfettered discretion, then the Purchase Price herein shall be reduced by Twenty Thousand (\$20,000) Dollars for each semi-detached home or each town home or Thirty Thousand (\$30,000) Dollars for a fully detached home. In the event that this home is not described, on the first page of this Agreement as having a "walkout" and the Vendor determines, as evidenced by Statutory Declaration of the Vendor, that such walk out is appropriate, having regard to final approved grading and engineering plans then the Purchase Price herein shall be increased by Twenty Thousand (\$20,000) Dollars for each semi-detached home or each town home or Thirty Thousand (\$30,000) Dollars for a fully detached home. Any credit or additional charge shall be made by way of adjustment on the Statement of Adjustments and shall be paid or credited on the Closing Date, which amount above includes HST.
8. The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, acoustical barriers and corner lot fencing (including the location of such acoustical barriers or corner lot fencing), exterior colour schemes, or any other matter external to the Dwelling Unit, may be imposed by either or both of the Municipality or the Subdivider. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling Unit other than as specified in this Agreement, or amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling Unit (all of which is hereinafter referred to as the "**Amended Elevation**"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling Unit herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement.
9. The Vendor shall have the right, in its sole, absolute and unfettered discretion, to construct the hereinbefore described Dwelling Unit either as shown on the sales brochures, marketing material, community maps, renderings and other plans and specifications (hereinafter collectively referred to as the "**Sales Brochure**") therefore, or to construct such Dwelling Unit on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout, or to rotate same for corner lot units. Construction of a reverse mirror image plan, or rotated plan, of the Dwelling Unit is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling Unit type hereinbefore described. Further, in the event the Vendor determines, in its sole, absolute and unfettered discretion, to construct the Dwelling Unit at a grade level different than that depicted in the Sales Brochures, or for any other reason as determined by the Vendor, necessitating the addition or elimination, rotation or re-orientation of a step or series of steps at any door to the Dwelling Unit, or any door from the garage to the interior of the Dwelling Unit, the Purchaser hereby irrevocably agrees to accept such change without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to construction of the Dwelling Unit type hereinbefore described.
10. In the event the Purchaser performs any work in or about the Dwelling Unit, or fails to deliver any document or acknowledgement, or takes or omits to take any action which causes delay in the Vendor's construction operations (each or any of which the Vendor may consider a FBOC) or in the Closing Date resulting in the Vendor being required, in accordance with the Statement of Critical Dates and Addendum (hereinafter the "**Addendum**"), to set a Delayed Closing Date, the Vendor shall have the right, in addition to any other right the Vendor has herein, to require that all adjustments shall be as of the date set for closing prior to the extension and to add as an adjustment on the Closing Date the sum of \$150.00 per day for each day of extension together with an amount equal to interest on the unpaid balance of the purchase price at the prime rate of interest charged by the Vendor's bank plus 5% per annum, pro-rated for the period of time that the Closing Date was delayed by reason of or arising from any or all of the foregoing.
11. Unless specifically agreed to by the Vendor in writing, no work shall be done by, or for the Purchaser in or to the Dwelling Unit prior to the Closing Date ("**Unauthorized Work**"). The Purchaser acknowledges that a breach of this condition constitutes a trespass and entitles the Vendor, at its sole, absolute and unfettered discretion to take any of the following actions: i) declare such action to be a FBOC entitling the Vendor to terminate this Agreement whereby the Purchaser's deposit shall be forfeited to the Vendor; ii) finish the Dwelling Unit to the extent possible, as determined by the Vendor in its sole, absolute and unfettered discretion, without regard to possible damage to the Unauthorized Work and without incurring any additional expense as a result of the Unauthorized Work. iii) remove and/or repair the Unauthorized Work, and any other portion of the Dwelling Unit thereby affected, and to receive compensation therefore as an adjustment on the Closing Date in an amount to be determined by the Vendor in its sole, absolute and unfettered discretion. Further, the Purchaser acknowledges that the Vendor's warranty of workmanship is rendered invalid insofar as it relates to matters affected by the Unauthorized Work. If the Closing Date is delayed due to the Unauthorized Work or the Vendor's removal or modification thereof, then the Vendor shall be entitled to a credit on the Statement of Adjustments equal to any and all compensation payable for such delay pursuant to Tarion requirements. Without limiting the generality of the foregoing, if the Purchaser makes any changes, alterations or additions to any mechanical, electrical or plumbing system or equipment installed by the Vendor, the Vendor's warranty with respect to same (including those provided by Tarion) shall be automatically voided and of no further force or effect.
12. The Purchaser acknowledges that it is anticipated that settlement will occur due to soil disturbances around the Dwelling Unit, the walkways, driveways and sodded areas and all ordinary and minor settlements and rectification thereof, as determined by the Vendor's project manager, shall be the responsibility of the Purchaser. The Vendor shall be responsible to rectify only major settlement, once only, and such major settlement work will, unless of an emergency nature, be corrected when seasonably feasible and according to the Vendor's work program and availability of materials and tradespeople.
13. The Purchaser hereby acknowledges that the Vendor is not responsible for any damages to interior household improvements or décor caused by material shrinkage, twisting or warpage. In addition, the Vendor shall not be responsible for any secondary or consequent damage whatsoever which may result from any defective material, design or workmanship and the Vendor's only obligation shall be to rectify the defect pursuant to the terms of this Agreement.

14. The Purchaser acknowledges that grading and sodding is normally done between June and October of any year. The Purchaser agrees that the Purchaser shall be solely responsible for watering and general maintenance of sod from the Closing Date or from the date that sod is laid, whichever shall be the later, and the Vendor shall have no obligation in that regard. If grass dies due to lack of watering, or other abuse, and is required to be replaced in order to obtain assumption of the subdivision by the Municipality or satisfy the requirements of the Site Plan agreement (hereinafter collectively referred to as "**Assumption**"), then the Purchaser will be responsible for the cost of such new sod and labour, and the Vendor may seek recovery of same from the Purchaser and/or deduct same from the Security Deposit, in addition to any other right or remedy. The Vendor has the right to enter upon the Property to repair and replace sod from time to time. Notwithstanding the Tarion requirements concerning the timing of completion of special seasonal items, which include but are not limited to paving, grading and sodding, the Vendor is permitted to schedule same up to twenty-four (24) months from the Closing Date.
15. The Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor, and prior written consent of the Developer and the Municipality if required by the Subdivision Agreement or any other municipal agreement. The Purchaser shall not alter the size, location, and/or configuration of the driveway prior to Assumption.
16. The Purchase Price includes all Municipal, Regional, educational or other governmental Development Charges, that are in effect as of the date of acceptance of this Agreement. ~~The Purchaser shall pay to the Vendor, as an adjustment on the Closing Date, the amount of any increases in any fees, charges, taxes, assessments, levies, development charges, education development charges or other levy or similar charge assessed against or attributable to the Property or construction of the Dwelling Unit after the date of the Purchaser's execution of this Agreement and any new fees, charges, taxes, assessments, levies, development charges, education development charges of any nature or kind assessed or imposed against or attributable to the Property or construction of the Dwelling Unit after the date of the Purchaser's execution of this Agreement (any such increase or such new fees, charges, etc. collectively referred to as the "Increase"). The amount of the Increase shall be determined by Statutory Declaration sworn on the part of the Vendor, which the Purchaser agrees to accept as the sole and absolute proof thereof and to which the Purchaser agrees to be bound.~~
17. The Vendor shall have no liability whatsoever for work done by a third-party trade at the behest of the Purchaser, either before or after the Closing Date, whether or not such third-party trade was referred to the Purchaser by the Vendor.

PURCHASER'S COVENANTS:

18. Notwithstanding the completion of this transaction, the Purchaser's covenants, warranties and agreements in this Agreement shall not merge and the Purchaser shall provide the Vendor and/or the Subdivider with any further written assurances as may be required by the Vendor and/or the Subdivider to give effect to this covenant either before or after the Closing Date. All of the covenants, warranties and obligations contained in this Agreement to be performed by the Vendor, including title, shall merge on the Closing Date and shall not survive same, save and except for the obligations of the Vendor to complete the Dwelling Unit and related exterior work in accordance with the requirements of Tarion.
19. Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Purchaser further agrees to accept the Property subject to, including but not limited to, any retaining walls, catch basins, sump pumps, infiltration trenches, hydro transformers, telephone/cable/utility boxes, fencing or landscaping required pursuant to any governmental authority, utility, or other body and the approved plans and agreements relating to the Property or as required by site conditions including without limitation the grade of the Property or adjoining lands, and the Purchaser acknowledges and agrees that the Purchaser may be required to repair, maintain or replace same from time to time at the Purchasers cost. The Purchaser may be required, at its sole cost and expense, after the Closing Date to conduct testing, including but not limited to radon testing, in accordance with the requirements of the municipality or any laws or regulations, which testing may be required to obtain Assumption of the subdivision. Should the Purchaser fail to complete the testing as required, the Vendor may enter the Dwelling Unit to conduct such testing and all charges for same shall be the responsibility of the Purchaser.
20. The Purchaser will not alter the grading or interfere with the drainage of the Property contrary to the Municipally approved drainage pattern, and provided that lot grading has been completed in accordance with Municipally approved grading control plan, which may be modified or varied from time to time, the Purchaser is estopped both from objecting thereto and from requiring any amendments thereto. The Purchaser shall ensure that any lifting of sod and/or trenching for alternate utility suppliers, underground sprinkler systems, or otherwise, is properly compacted and reinstated to original final lot grading levels, in default of which, the Vendor shall have recourse to the Security Deposit, in addition to any other right or remedy, to cover the cost of effecting any repairs. Purchasers are advised that storm water management infrastructure, including but not limited to catch basins, swales and/or infiltration trenches which includes tile drainage and underground piping (collectively the "**Drainage Infrastructure**") may be located on their Property. Purchasers are advised that it is their responsibility to maintain, clean and repair said Drainage Infrastructure to ensure that proper drainage is maintained. Purchasers are not permitted to alter the grading or drainage on their Property and are not permitted to alter or cover any Drainage Infrastructure. No structures are permitted on the Drainage Infrastructure and no modification, alteration or excavation of the Drainage Infrastructure is permitted. Should the Purchasers alter, interfere and/or damage the Drainage Infrastructure the Vendor shall be permitted to enter the Purchaser's Property to reinstate the Drainage Infrastructure to municipal requirements, at the sole cost and expense of the Purchaser.
21. The Purchaser covenants and agrees not to damage, interfere or alter any subdivision service, and shall be liable for the cost of rectification of any such damage or alteration and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment, to deduct same from the Security Deposit, and in addition thereto to pursue any other right or remedy.

22. The Purchaser agrees that neither the Purchaser nor the Purchaser's successors or assigns shall construct any fences, hedges, garden shed, patio or swimming pool, television antenna/dish or other structure on the Property until the Municipality has assumed all Subdivision Services or they have received permission from the Vendor to construct same, which permission shall not be granted until the Vendor is in receipt of final lot grading certification for the Property. The Purchaser shall ensure that access by gate or otherwise of at least 1.25 meters in width is available to permit access to the Property and effect repairs to grade and sod by the Vendor.
23. The Purchaser represents to the Vendor upon which representations the Vendor has relied in accepting this Offer that the Property is being purchased for the Purchaser's own personal use and not for speculative or investment purposes.
24. Prior to the Closing Date, the Purchaser covenants and agrees not to post any signs for sale, lease or rent, or list the Property for sale, lease or rent or advise others that the Property is or may be available for sale, lease or rent or offer for sale, lease or rent or sell, lease or rent the Property or to enter into any agreement, conditional or otherwise, to sell lease or rent the Property, or any interest therein, nor to assign this Agreement or any interest therein, or any rights of occupancy, or the benefit thereof, either directly or indirectly, to any person without the prior written consent of the Vendor which may be arbitrarily withheld or delayed. Any offering for sale, lease or rent, or any sale, lease, rental, assignment or attempted assignment of this Agreement or the Property prior to the Closing Date, shall constitute a breach of this covenant which shall, at the Vendor's sole option, have the right to charge, as a genuine pre-estimate of its damages arising from such default, a fee of \$3,000 plus HST for each violation as an adjustment item on the Closing Date, or alternatively entitle the Vendor to terminate this Agreement whereupon the deposit monies paid by the Purchaser hereunder shall be forfeited to the Vendor in addition to and without prejudice to any other remedy available to the Vendor arising out of such default.
25. The Purchaser agrees not to install any planting within six feet of the external walls of the Dwelling Unit home or finish the whole or any part of the basement of the Dwelling Unit for a period of twenty-four (24) months after the Closing Date. The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to basement improvements and chattels stored in the basement resulting from water seepage, including any consequential damages arising therefrom.

TITLE AND CLOSING:

26. The Purchaser acknowledges and agrees that the Purchaser shall not have the right to direct title into the name of any other person or entity who is not also contractually bound as a Purchaser pursuant to this Agreement. The Purchaser shall advise the Vendor within 30 days of execution of the Agreement, of any typos or mistakes in the Purchaser(s) name, address or contact information as noted on the Agreement or any schedules thereto. If the Purchaser will be taking title as Tenants in Common or as Joint Tenants the Purchaser shall advise the Vendor at least 60 days prior to the Closing Date, failing which the Vendor will convey title to the Purchaser set forth and named in this Agreement, and that the Purchasers will hold title as Tenants in Common. Should the Purchaser fail to provide the requisite information as noted above and thereafter require amendments to the documents prepared by the Vendor's solicitors, the Vendor's solicitors and the Vendor shall be entitled to charge a fee in order to make any changes, if said changes are acceptable to the Vendor.
27. Prior to the Closing Date, the Purchaser covenants not to register this Agreement or any other document on title. In the event of a breach of this provision by the Purchaser, the Vendor is hereby granted a Power of Attorney to authorize deletion of any such document from title, all at the Purchaser's sole cost and expense, and in addition to any other remedy as may be available to the Vendor.
28. Keys will be released to the Purchaser at the construction site or the sales office of the Vendor, as the Vendor in its sole, absolute and unfettered discretion determines, upon completion of this transaction, unless otherwise specifically agreed in writing between the Vendor and the Purchaser. The Purchaser agrees that the Vendor's advice that keys are available for release to the Purchaser constitutes a valid tender of keys on the Purchaser. Upon completion of this transaction, if the Purchaser fails to attend to pick up the keys by Five Fifteen (5:15) P.M. on that day, the Vendor may retain the keys at the construction site or sales office, as the case may be, until Ten (10:00 AM) on the next business day and, failing any other agreement between the parties, if the keys have still not been picked up by then, the keys shall thereafter be available for pick up at the Vendor's head office upon notice to the Purchaser or their solicitor that they are at the head office.
29. The Purchaser agrees to accept the Property, subject to the building and other restrictions registered on title, including provisions in the Subdivider's deed to the Vendor or Purchaser, provided there is no breach of such restrictions on the Closing Date, and they do not materially and adversely restrict the use of the Dwelling Unit for residential purposes, and to execute and grant, without any cost to the Vendor, any easements or rights-of-way for installation and/or maintenance of services as may be required, both before and after the Closing Date, by any governmental authority, utility, or other body, including easements for catch basins and leads related thereto. In addition to the foregoing in the event the maintenance and/or private drainage easements have not been created on or before the Closing Date, the Purchaser shall execute and deliver to the Vendor on the Closing Date, without cost or charge, an Acknowledgement permitting the Vendor to register after the Closing Date any such easements on behalf of the Purchaser.
30. The Purchaser acknowledges that the real property dimensions as set out in this Agreement, any Sales Brochures or Site Plan, are approximate only. In the event one or more of the lot width (whether at the lot frontage or rear) or depth of the Property or the square footage of the Dwelling Unit as a whole are varied by up to and including five (5%) percent from those specified in this Agreement or any Sales Brochure or Site Plan the Purchaser agrees to accept all such variations without claim for compensation or abatement in the Purchase Price and this Agreement shall be read with all amendments required thereby. If any such variation exceeds five (5%) percent, the Purchaser, may terminate this Agreement by notice in writing to the Vendor at least 60 days prior to

the Closing Date and the Purchaser shall be entitled to a refund of the deposit monies only, without interest, and the Vendor, Vendor's agent and the Purchaser shall be relieved of all further obligations and liabilities. If the Purchaser does not elect to terminate this Agreement, as aforesaid, then the Purchaser by closing the transaction herein waives their right to make any claim against the Vendor or agent arising from the discrepancy in the size of any dimension as hereinbefore referred to or provided. If the Property is irregular in shape (i.e., not a rectangle) and if any dimension is noted by the Vendor the dimension may be calculated in accordance with the municipal zoning by-law at the front set back line, and not at the boundary of the Property.

31. The location of mechanical installations may not be as shown on the Sales Brochures and will be located in accordance with approved plans and/or good construction practice and may result in room size or garage size reduction commensurate with the mechanicals being installed. Ceiling height of the Dwelling Unit is measured from the upper surface of the concrete floor slab, or subfloor, to the underside of the joists. Floor finishing, ceiling details, lighting and HVAC equipment may affect the actual finished floor to ceiling heights of the Dwelling Unit. In addition, where ceiling bulkheads are installed within the Dwelling Unit, and/or where dropped ceilings are specified or required, as determined by the Vendor, in accordance with approved plans and/or good construction practice, and/or where other plumbing, mechanical systems, electrical or HVAC equipment is located in the ceiling, then the ceiling height of the Dwelling Unit will be less than that represented, and the Purchaser shall be obliged to accept same without any abatement or claim for compensation whatsoever. The Purchaser acknowledges being advised by the Vendor that the Vendor has experienced a high rate of theft of air-conditioning units when they are installed prior to the Closing Date. Accordingly, the Purchaser acknowledges that if this Agreement herein calls for the Vendor to install an air-conditioning unit, the Vendor has the right to install that unit, in accordance with this Agreement, within seven (7) days after the Closing Date. The Purchaser shall not be entitled to any holdback on account of the Purchase Price notwithstanding that the air-conditioning unit is not installed at the Closing Date. Notwithstanding the foregoing, in the event that the Purchaser requires the air-conditioning unit to be installed prior to the Closing Date, the Purchaser shall make written request therefor, such request to be received no later than thirty (30) days prior to the Closing Date by way of separate written request addressed to the Vendor's solicitor. The Purchaser acknowledges that the Purchaser shall assume all liability for the air-conditioning unit in the event that it is stolen after its installation prior to the Closing Date and the Vendor shall not be obliged to replace same nor shall there be any adjustment in the Purchase Price with respect thereto.
32. Where any portion of any fence is within fifteen (15) centimeters of the property line, such fence shall be deemed not to be an encroachment at that point (the "**Permitted Encroachment**") and the Purchaser agrees to accept title to the Property and to complete the sale contemplated herein, without abatement of the Purchase Price and without objection thereto. If any portion of any fence is located more than 15 centimeters within the property line (an "**Unpermitted Encroachment**"), then the Purchaser shall complete the transaction herein either upon the Vendor's undertaking to take all reasonable lawful steps to remove the Unpermitted Encroachment or, at the Vendor's sole option, upon an abatement in the Purchase Price, such abatement to be calculated by multiplying the Purchase Price of the lot only without a Dwelling Unit (or the fair market value of the lot only without a Dwelling Unit as determined by the Vendor in its sole, absolute and unfettered discretion) by the ratio of the area of the Unpermitted Encroachment to the total area of the Property. Despite anything hereinbefore set out, the whole of any fence, or acoustic barrier, erected by any governmental authority, utility or railway or pursuant to any Subdivision, Site Plan or Development Agreement shall be deemed to be a Permitted Encroachment.
33. The Vendor shall have the right to store topsoil on the rear of the Property after the Closing Date, which topsoil shall remain the property of the Vendor, to be used by the Vendor to complete the final grading of the subdivision. The Vendor shall have the right, after the Closing Date, to enter from time to time and remove same.
34. In the event the Property borders land owned by any government, utility, or railway such authority may require fences, entrance gates or other structures to be located within the property line and the Purchaser agrees to accept same and agrees to maintain same, if required by such authority.
35. The Purchaser acknowledges that the Subdivision Agreement and/or any other development agreements entered into between the Subdivider and the Municipality may require the Vendor to provide the Purchaser with certain notices ("**Subdivision Agreement Notices**"), including, but not limited to, land usage, maintenance of Municipal fencing and acoustic barriers, school transportation, noise levels from adjacent roadways or properties, noise and/or vibration levels from nearby railway lines, the absence of door-to-door mail delivery, the location of "super mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit the enjoyment by the Purchaser of this Property. In the event the Subdivision Agreement is not registered as of the date of acceptance of this Agreement, and therefore the Subdivision Agreement Notices are not yet available, or if after they are available, they are amended by the Municipality, or are inadvertently omitted or misquoted by the Vendor herein, and if the Municipality requires the Purchaser to receive a copy of the Subdivision Agreement Notices, then a copy of the Subdivision Agreement Notices as revised as necessary, shall be sent to the Purchaser's address as shown on this Agreement or to the Purchaser's solicitor and such communication (whether by mail, fax or e-mail) shall be deemed to constitute appropriate notification. In any event the Vendor shall have no liability for failure to deliver any such warning clauses or notices to the Purchaser or if such warning clauses fail to come to the attention of the Purchaser. The Purchaser agrees to be bound by the contents of any such notice and covenants to execute forthwith upon request, an acknowledgment containing such notice if and when requested to do so by the Vendor. The Purchaser further acknowledges that the height, style, location, paint or stain colour, or even the prohibition of fencing may be regulated by the Subdivision Agreement, Site Plan Agreement, Municipal by-laws, Architectural control guidelines or Fire Department regulations. The Purchaser acknowledges and agrees that easements over the property may be required to allow access to the rear yards of internal townhouse units and the Purchaser agrees to grant such easements after the Closing Date if necessary. The Purchaser agrees to abide by any such requirement and acknowledges that breach of this covenant or any such regulation or agreement may entitle the Vendor, the Subdivider, or the Municipality to enter upon the Property without notice to repair, rectify, or demolish contravening fences or other structures or improvements, all at the Purchaser's expense. The Purchaser further acknowledges that some Municipally required subdivision features, including but not limited to fencing and acoustic barriers, might be entirely and well within the property line and that it may be the Purchaser's responsibility to repair and maintain such subdivision features.

36. The Purchaser agrees that title may on the Closing Date be subject to one or more Subdivision or other Development Agreements and that the Subdivider has agreed at its own expense to construct, install and pay for roads, sanitary sewers, watermains and all other services in accordance with the requirements of the Municipality, which the Vendor herein is not responsible to construct, install or pay for. The Purchaser agrees that the Vendor shall not be obligated on the Closing Date or thereafter to obtain releases of such Subdivision or other Development Agreements provided that the same have been complied with as of the Closing Date and the Purchaser shall make such inquiries as are necessary to be satisfied as to such compliance.
37. The Vendor has agreed to acquire registered title to the Property from the Subdivider on terms set forth in a separate agreement. In the event of default by the Subdivider in compliance with the requirements therein contained, or in the event the Subdivider exercises its right, by reason of adverse soil conditions affecting the Property, to terminate the agreement as it relates to the Property, or if the Vendor fails to acquire title through no fault of the Vendor, this Agreement shall be deemed to be frustrated and this Agreement shall be terminated, all deposit monies shall be repaid to the Purchaser without interest or deduction (except as may be required by Tarion), and all parties hereto shall be relieved of any liability or obligation hereunder. The Purchaser acknowledges that all matters external to the lot are the responsibility of the Subdivider from whom the Vendor has acquired the lot upon which the Dwelling Unit is to be built and that any information shown or provided for on any sketch, schedule or plan, relating to matters external to the Lot, whether attached to this Agreement, contained in any Sales Office or marketing material, shall be considered to be preliminary only. The Purchaser agrees to accept any variation or change with respect to any and all information external to the Lot being acquired including: the location of sidewalks, transformers, poles or lights, telephone or cable services, hydrants, curb cuts, landscape features, community amenities, and street configuration, direction or name, without abatement in the Purchase Price and the Vendor shall have no liability or obligation with respect to such change or variation to any matters which are external to the Lot.
38. The Purchaser acknowledges that title may be conveyed directly from the Subdivider of the lands, or a third party owner of the lands and not the Vendor herein, and the Purchaser hereby releases the Subdivider, or third party owner of the lands, from all obligation, liability and responsibility whatsoever arising out of or associated with the construction of the Dwelling Unit and installation of all other improvements within the lot boundaries and the Purchaser agrees to execute and deliver on the Closing Date a separate acknowledgment and release in favour of the Subdivider, or third party owner of the lands, to this effect.
39. In the event any mortgages are outstanding on the Closing Date the discharge of which is the Vendor's obligation, the Purchaser agrees to accept the Vendor's solicitor's undertaking to obtain and register discharge of same within a reasonable period of time after the Closing Date in full satisfaction of the Vendor's obligation in that regard. In the event that, on the Closing Date, a charge is registered on title to the Property in favour of a Chargee other than a bank, insurance company, trust company or other like institutional Chargee (hereinafter the "**Private Mortgage**"), which Private Mortgage is to be discharged on or before the Closing Date, and if the Purchaser does not wish to accept the Vendor's solicitors' undertaking in that regard, then the Purchaser's solicitor shall provide notice in writing to the Vendor's solicitor, at least fifteen (15) days prior to the Closing Date requiring it to be discharged on the Closing Date.
40. The Vendor warrants that, on the Closing Date, all conditions in the Subdivision or other Development Agreements, which restrict occupancy, will have been complied with, and the Municipality will have approved the Dwelling Unit for occupancy. The Purchaser shall not call for the production on the Closing Date of an occupancy permit issued by the Municipality but shall accept the prescribed Tarion evidence as to availability of occupancy without the necessity of an occupancy permit. The Purchaser acknowledges that some Municipalities do not issue written occupancy permits. If work exterior to the Dwelling Unit, such as fencing and acoustical barriers, remains incomplete and the Municipality will not grant occupancy unless it is in receipt of an Indemnity, or any other document as may be required by the Municipality, from the Purchaser with respect to such incomplete work, the Purchaser shall execute and deliver to the Vendor forthwith upon request an Indemnity, or any other document as may be required by the Municipality, in the form required by the Municipality. The Purchaser agrees to forthwith upon request to do all acts and execute and deliver all documents, both before and after the Closing Date, as may be required by the Vendor or the relevant Municipality in connection with the acceptance of the subdivision as a whole by the Municipality. Failure to comply with this paragraph is a FBOC.
41. Provided the title is good and free from all encumbrances except as herein provided, and except as to building and other restrictions, Municipal Subdivision and other development agreements and to any easement or right-of-way granted or to be granted for installation and/or maintenance of any service such as, but not limited to, public or private utilities including water, sewage, storm water drainage, gas, or electricity, and any and all telecommunications or cable lines whether servicing this or neighbouring properties, transmitting and receiving systems, mutual driveways, and for maintenance of adjoining dwelling units, if applicable. The Purchaser covenants and agrees to execute and deliver, without cost or charge to the Vendor, any such easements or rights-of-way after the Closing Date, within seven (7) days after receipt of written request therefor from the Vendor and shall also obtain the postponement to any such easement or right-of-way for any mortgages registered by or on behalf of the Purchaser. Furthermore, title to the Property may be subject to encroachments by portions of the buildings located on abutting lands, including without limitation eaves, eavestroughing, or other attachments to the roofs, vents, pipes, wires or cables and the Purchaser further acknowledges that portions of the Dwelling Unit may encroach onto abutting lands. Purchasers of all semi-detached or townhouse Dwelling Units acknowledge and agree that owners of adjoining semi-detached and townhouse dwelling units shall be permitted to have unfettered access and use of portions of the roof of their Dwelling Unit for purposes of maintaining, repairing and/or replacing, the whole or any portion of exposed facades which extend above the roof line of their Dwelling Units. The Purchaser accepts legal access to the subject Property even though it may be restricted by .3 metre reserves owned by the Municipality and not yet dedicated as public highway. The Purchaser is not to call for the production of any title deeds, abstract or other evidence of title except as are in the possession of the Vendor. The Purchaser is to be allowed until sixty (60) days prior to the Closing Date, to examine the title at the Purchaser's own expense and if, within that time, any valid objection to title is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove or to obtain title insurance to cover (with all related costs at the expense of the Purchaser) and which the Purchaser will not waive, this Agreement shall, (except for the Purchaser's obligations for extras or changes), notwithstanding any intermediate act or negotiations, be void and the deposit money shall be returned, without interest, and the Vendor and the Agent shall not be liable for any damages or costs whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Property. Except where electronic registration of the documents is available, the Purchaser

agrees to attend at the appropriate Registry Office at Twelve o'clock (noon) on the Closing Date to complete this transaction unless an alternate time has been specifically agreed upon between the Vendor and the Purchaser or their respective solicitors, in default of which attendance by the Purchaser, the Purchaser hereby waives tender by the Vendor and the Vendor need not thereafter establish that it could have effected a sufficient, good and valid tender upon the Purchaser. Any tender of documents or money or giving of notice herein may be made or given either upon or to the party hereto or the party's solicitor and money may be tendered by negotiable cheque certified by a Canadian Schedule "1" Chartered Bank. The balance due on the Closing Date shall be paid by certified cheque drawn on an Ontario lawyer's trust account on the Closing Date drawn in favour of those parties as may be directed by the Vendor and/or its solicitors.

42. The Vendor may assign this Agreement and its covenants and obligations herein to a third party, provided following such assignment, the Vendor shall notify the Purchaser of such assignment.
43. The Purchaser acknowledges receipt of notice from the Vendor that the Vendor and/or the Subdivider may apply for a re-zoning with respect to blocks or lots not purchased hereunder as laid down by the Plan of Subdivision or with regard to the lands adjacent to or near the lands laid down by the Plan of Subdivision, and the Purchaser, the Purchaser's successors and assigns, shall consent to any such application and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser to such re-zoning. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property and to assign the benefit of such covenant to the Vendor.
44. This Agreement is conditional and shall be effective to create an interest in the Property only if the subdivision control provisions of the Planning Act are complied with by the Vendor on or before the Closing Date. This Agreement shall be construed and interpreted in accordance with the laws of the Province of Ontario as such laws from time to time shall be in effect.
45. The Vendor will provide the Purchaser with a survey of the Property prepared by an Ontario Land Surveyor, showing the Dwelling Unit under construction, within seven (7) days of the Purchaser requesting same, provided that the Purchaser shall not request the survey more than twenty-one (21) days before the Closing Date.
46. The Purchaser acknowledges and agrees that in the event the Dwelling Unit being purchased herein is a semi-detached Dwelling Unit the subject lot will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of the lot.
47. The following provisions shall apply to your Closing, namely:
 - a) the Purchaser shall be obliged to retain a solicitor in good standing with the Law Society of Ontario (LSO) no later than thirty (30) days following acceptance of this Agreement and shall inform the Vendor with respect to the particulars of same, to represent the Purchaser in connection with the completion of the transaction, and shall authorize such solicitor to enter into an escrow closing agreement with the Vendor's solicitor on the latter's standard form (hereinafter referred to as the "**Escrow Document Registration Agreement**"), establishing the procedures and timing for completing this transaction. The Escrow Document Registration Agreement shall be consistent with the requirements of LSO. Should the Purchaser fail to retain a solicitor and maintain such retainer until successful completion herein or fail to inform the Vendor of the solicitor's identity as hereinbefore required, such omission shall be an anticipatory breach of this transaction entitling the Vendor to pursue all of its rights and remedies with respect to same;
 - b) the delivery and exchange of documents and monies for the Property and the release thereof to the Vendor and the Purchaser, as the case may be:
 - I. shall not occur contemporaneously with the registration of the transfer/deed (and other registerable documentation); and
 - II. shall be governed by the Escrow Document Registration Agreement, pursuant to which the solicitor receiving the documents and/or certified funds will be required to hold same in escrow, and will not be entitled to release same except in strict accordance with the provision of the Escrow Document Registration Agreement.
 - c) if the Purchaser's solicitor is unwilling or unable to complete this transaction via ERS, in accordance with the provisions contemplated under the Escrow Document Registration Agreement, then said solicitor (or the authorized agent thereof) shall be obliged to personally attend at the office of the Vendor's solicitor at time of the scheduled Closing Date as may be directed by the Vendor's solicitor or as mutually agreed upon, in order to complete this transaction via ERS utilizing the computer facilities in the Vendor's solicitor's office;
 - d) the Purchaser expressly acknowledges and agrees that he or she will not be entitled to receive the transfer/deed to the Property for registration until the balance of funds due on closing, in accordance with the statement of adjustments, are either remitted by certified cheque from the Purchaser's solicitor's trust account via personal delivery or if agreed to by the Vendor's solicitor, by wire transfer from the Purchaser's solicitor's trust account to the Vendor's solicitor (or in such other manner as the latter may direct) prior to the release of the transfer/deed for registration;
 - e) each of the parties hereto agrees that the delivery of any documents not intended for registration on title to the Property shall be delivered to the other party hereto on or before the Closing Date; and
 - f) notwithstanding anything contained in this Agreement to the contrary, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has:
 - I. delivered or electronically posted all closing documents and/or funds (if applicable) to the Purchaser's solicitor in accordance with the provisions of the Escrow Document Registration Agreement
 - II. has completed all steps required by ERS in order to complete this transaction that can be performed or undertaken by the Vendor's solicitor without the cooperation or participation of the Purchaser's solicitor; without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents and/or funds and without any requirement to have an independent witness evidencing the foregoing;
 - g) If the Purchaser or their respective solicitor fails to deliver closing funds and documents to the Vendor's solicitor by 4:30 p.m. on the Closing Date, the Purchaser hereby waives tender and the Vendor shall need not thereafter establish that it could have effected tender upon the Purchaser. The parties agree that the delivery of documents (other than documents to be

registered) on the Closing Date may occur by facsimile or electronic transmission or similar system reproducing them, provided that all documents have been properly executed by the appropriate parties, save and except for such documents as may be specified by the Vendor's solicitors as required original copies to be delivered on the Closing Date. The person transmitting the documents shall also provide original documents to the recipient within the time required by the Escrow Document Registration Agreement;

- h) Pursuant to subsection 3(1) of the Electronic Commerce Act of Ontario (the "ECAO"), as amended (or any successor or similar legislation) the Purchaser consents to use and accept any information and/or document to be provided by the Vendor and/or its solicitors in respect of this transaction in an electronic form if, when and in the form provided by the Vendor and/or its solicitors. The Vendor acknowledges and confirms that the Vendor has authorized its solicitors noted herein to transmit all information and documents executed by the Vendor in an electronic format with a "trued up" or copy of the signature(s) of an authorized signing officer(s) of the Vendor and that such "trued up" or copy of the signature(s) shall satisfy the signature requirements of the ECAO as an electronic signature unless otherwise prescribed by the ECAO wherein such other prescribed signature format shall be incorporated herein. The Vendor agrees that it shall be bound by all such information and documents when so transmitted and shall continue to be bound from and after the Closing Date as therein provided.
- i) The Purchaser shall reimburse the Vendor on Closing Date for the legal costs incurred with respect to electronic registration in the amount up to \$500.00 plus taxes.

EXTENSIONS:

48. The Vendor has the right to extend the Closing Date herein in accordance with the Addendum attached hereto, including without limitation the right for a one-time unilateral extension in its sole, absolute and unfettered discretion, to extend the Closing Date for one (1) business day (as defined in the Addendum) to avoid the necessity of tender, where the Purchaser is not ready to close on the Closing Date. In such a case, delayed closing compensation will not be payable to the Purchaser as set out in the Addendum. If the Dwelling Unit type cannot be sited or built on the Property in accordance with the requirements of the Municipality, subject to the right of the Vendor to make such changes to the Dwelling Unit as herein set out, this Agreement shall be considered as frustrated and the Purchaser shall be entitled to a refund of the deposit monies, with interest, but in no event shall the Vendor or the Real Estate Broker or any of its agents be liable for any damages or costs whatsoever.

ADJUSTMENTS ON CLOSING:

49. In the event the Municipality requires the installation of air conditioning in the subject Dwelling Unit, the Purchaser covenants and agrees to pay the cost therefore as an adjustment on the Closing Date, unless the provision of such air conditioning is included on a Purchaser's Extra sheet, such cost to be absolutely determined by Statutory Declaration on the part of the Vendor.

50. Utilities, including fuel, water rates, and hydro, to be apportioned and allowed to the Closing Date. Where, by the Closing Date, the Vendor is in receipt of a final land tax bill for the Property for the year of closing, taxes will be adjusted based upon such final land tax bill with the Vendor to receive a credit on the statement of adjustments for the Purchaser's proportionate share of the entire year's land taxes whether or not paid, and the Purchaser shall close on the Vendor's undertaking to pay such land taxes as they fall due. Otherwise, land taxes shall be adjusted based upon the Vendor's reasonable estimate of such year's land taxes with the Vendor to receive a credit on the statement of adjustments for the Purchaser's proportionate share of the entire year's land taxes, so estimated, and without further readjustment, and the Purchaser shall close on the Vendor's undertaking to pay such land taxes as and when the final land tax bill for the Property is received. Notwithstanding the foregoing, Municipal Realty Tax reassessment, supplementary tax bills and omitted tax bills relating to the Dwelling Unit constructed on the Property, regardless of the date of the bill, shall be the sole responsibility of the Purchaser.

51. The Purchaser covenants and agrees to reimburse the Vendor on the Closing Date for the enrollment fee paid by the Vendor for the Dwelling Unit with regard to Tarion and the Regulatory Oversight Fees paid by the Vendor to the Home Construction Regulatory Authority (HCRA).

52. The Purchaser agrees to take all necessary steps to immediately assume, charges for hydro, gas, water and other services, and the Vendor may recover any payments therefore from the Purchaser should they fail to have the utilities transferred to their name on the Closing Date. The Purchaser shall ensure that the utility providers have all necessary information to set up the utility accounts in the Purchaser's name as of the Closing Date. As more particularly set out in Schedule "HWT", the Vendor may enter into an Equipment Rental Agreement ("ERA") for a water heating system (which may be a tank or tankless system and related equipment). Purchaser will assume the ERA on the Closing Date without any further documentation being required. If the Vendor, or rental equipment supplier, requires any further information, or documentation to be signed by the Purchaser in relation to the ERA; the Purchaser is obligated to deliver same forthwith upon written request. If the water heating system is not a rental, the Purchaser shall reimburse the Vendor on the Closing Date the cost of the water heating system, such cost to be determined by Statutory Declaration sworn on the part of the Vendor. The water meter is not included in the Purchase Price. The Purchaser shall pay on the Closing Date the sum of Four Hundred and Fifty Dollars (\$450.00) (plus HST) for the cost of, or the charge made for, water service or installation of the water meter.

53. The Purchaser shall provide a refundable deposit on the Closing Date (the "Security Deposit") to secure compliance with the Purchaser's obligations hereunder including, without limitation, the Purchaser's grading and subdivision damage covenants. Such Security Deposit shall be equal to Five Thousand Dollars (\$5,000.00), all re-adjustments, without interest, to be made upon written request following Assumption, and after confirmation from the Vendor's project managers as to compliance with the Purchaser's obligations, as aforesaid. The Vendor has no obligation to return the Security Deposit to the Purchaser and such Security Deposit is hereby forfeited by the Purchaser if such written request is made more than five (5) years after Assumption. The Security Deposit is only refundable to the person(s) who are named on the transfer from the Vendor on the Closing Date.

54. The Purchaser shall pay to the Vendor, as an adjustment on the Closing Date, the amount of any increases in construction costs or additional expenses expended or incurred by the Vendor for the completion of the dwelling or property and which are over and

above those costs or expenses contemplated as at the date of the Purchaser's execution of this Agreement, and which costs or expenses arise as a result of and/or caused by changes to the Ontario Building Code or any other federal, provincial, municipal or other governmental or utility authority requirement or obligation (any such increase or additional expense being collectively referred to as the "Added Cost"). The amount of the Added Cost shall be determined by a Statutory Declaration sworn on the part of the Vendor, which the Purchaser agrees to accept as the sole and absolute proof thereof and to which the Purchaser agrees to be bound.

55. Any other charge or cost provided for in Schedule "ST" (as applicable) or elsewhere in this Agreement, the Schedules attached hereto or any amendment or modification thereof. The amount charged or to be charged by the Vendor's solicitors to the Vendor representing the transaction levy imposed by the Law Society of Ontario or any similar authority with respect to the within transaction. Unless otherwise provided for on a separate schedule or schedules, if the Vendor agrees to take back a mortgage(s), the Purchaser acknowledges that the Vendor's solicitors shall act for the Vendor in respect of the mortgage(s). The Purchaser shall pay on the Closing Date as an adjustment the mortgagee's legal fees and registration expenses in the sum of Seven Hundred and Fifty Dollars (\$750.00) (plus HST) plus disbursements per mortgage with respect to such mortgage(s), plus the levy of the Law Society of Ontario with respect to each such mortgage(s) registration.
56. All proper readjustments shall be made after the Closing Date, if necessary, forthwith upon request. Any monies owing to the Vendor pursuant to such readjustments or as a result of any expenses incurred by the Vendor arising from a breach by the Purchaser of any of the Purchaser's obligations described in this Agreement shall be payable upon written demand by the Vendor and shall bear interest from the date of written demand at the rate of 1.25% (one and one quarter percent) per month, or 15% (fifteen percent) per annum, not in advance and shall be a charge on the Property until paid and such charge shall be enforceable in the same manner as a mortgage in default.

VENDOR'S RIGHTS AFTER CLOSING:

57. At any time prior to Assumption, the Vendor may, following seven (7) days written notice to the Purchaser (except in the case of an emergency when no prior notice shall be required) enter upon the Property and relocate or remove any improvements made or installed by the Purchaser to the Dwelling Unit or the Property (which without limiting the generality of the foregoing includes air conditioning units, garden sheds, patios, porches, fences, plantings and driveway widenings, alterations in curbs or curb cuts) which do not conform or comply with the applicable By-Laws, Site Plan or Subdivision Agreement or which were installed without the requisite permits or approvals or which the Municipality or other lawful authority requires to be removed or rectified before Assumption, and the Vendor shall not be liable to the Purchaser for such removal or relocation nor shall the entry by the Vendor its servants or agents be considered a trespass. The Purchaser shall indemnify and save the Vendor harmless from any cost, charge, expense, interest, legal fees and disbursements on a full indemnity basis, penalty or outlay which arises from delay in Assumption and forthwith reimburse the Vendor for any and all costs, charges and expenses including overhead and supervision with respect to any work undertaken or performed by it.
58. The Purchaser agrees that the Vendor, the Subdivider or their servants or agents may, for such period after the Closing Date as is designated by the Vendor and/or Subdivider have the right to enter upon the Property; (a) after completion of the transaction in order to complete such items as are included in the Certificate of Completion and Possession; and (b) at all reasonable hours to inspect, repair, complete or rectify construction or grading and undertake modifications to the surface drainage, including installation of catch basins, (c) enter upon the Property and relocate, remove any improvement made or installed by the Purchaser which do not conform or comply with the applicable By-Laws, Site Plans or Subdivision Agreement or which were installed without the requisite permits or approvals or which the Municipality or other lawful authority required to be removed or rectified before Assumption, without liability therefore, and the Transfer/Deed may contain such a provision. Further, the Vendor shall have the right after the Closing Date, to enter upon the Property at all reasonable hours to permit access to complete construction, grading or any matter required by the Subdivision Agreement or Site Plan, on this or other properties in the subdivision or to complete the Dwelling Unit on this or any lands, provided however, the Vendor shall be responsible for all repairs to any damages caused by its entry as aforesaid to the Dwelling Unit constructed upon the Property by the Vendor. The Purchaser acknowledges that the Dwelling Unit is being constructed in a subdivision, which is, and may for some substantial period of time, be under construction and which will require the Vendor to enter upon the Property after the Closing Date. As such the Purchaser hereby indemnifies the Vendor and releases the Vendor from any liability caused by the Vendor or its trades and arising from damage to, destruction or removal of Purchaser's improvements or additions to the Property including, without limiting the generality of the foregoing, underground sprinklers, paving, interlocking stone or brick, fencing, air conditioning units, landscaping or decorative features, installed by the Purchaser on or after the Closing Date and prior to Assumption.
59. The Vendor may reserve and register a Vendor's lien and/or charge which may be registered on or after the Closing Date, following the Vendor's usual form, for unpaid monies or adjustments or claims herein, including without limitation the HST Rebate, provided together with the applicable or relevant interest thereon as set forth elsewhere in this Agreement. The Purchaser covenants and agrees to forthwith pay all costs in relation to such Vendor's lien, including without limitation, the Vendor's solicitor's legal fees and disbursements and the cost to register such Vendor's lien and/or charge on title to the Property. The Vendor will upon request deliver to the Purchaser (for registration at the Purchaser's expense) a release of the Vendor's lien and/or charge after such unpaid monies, adjustments or claims herein provided, as applicable, together with the interest thereon as provided for herein have been received by the Vendor. The Purchaser acknowledges and agrees that whenever the Vendor may have a right to a lien for any monies that may be owing to the Vendor from time to time, without prejudice to any of the Vendor's rights and remedies, may be secured by a charge in favour of the Vendor. On the Closing Date the Purchaser, and if applicable including the Purchaser's spouse, covenants and agrees to deliver to the Vendor, the Vendor's form of Acknowledgement and Direction authorizing the Vendor to register a charge upon the applicable lands for any monies that may be owing to the Vendor notwithstanding that the right to lien and/or charge the lands may not exist until after written demand by the Vendor.

MISCELLANEOUS:

60. The Purchaser acknowledges that the Dwelling Unit has been purchased on the basis of Sales Brochure material, which the Purchaser has viewed and not necessarily from a model. Notwithstanding anything herein written, if at the time that this Agreement is executed, the Dwelling Unit constructed on the Property has already been substantially completed, the Purchaser shall purchase the Property in an "as built" condition rather than in accordance with any other representations herein contained or in any sales brochure. The Purchaser acknowledges that all references to sales brochures, Site Plans, plans or marketing material in this Agreement includes paper, electronic or internet versions of the foregoing. The Purchaser acknowledges that the marketing material, sales brochures, Site Plans and/or plans may be amended from time to time. Should any information contained in the Sales Brochure, Site Plans, plans or marketing material be material to the Purchaser's purchase of the Dwelling, the Purchaser shall ensure that said information is contained in this Agreement or any amendments thereto, failing which the Purchaser shall not be able to rely on the information contained therein.
61. The Purchaser acknowledges that the model homes, if any, are for display purposes only, and that some or all of the features contained therein, such as but not limited to furniture and appliances, may not be included in the Dwelling Unit unless the same is specifically provided for in any schedule forming part of this Agreement.
62. The Vendor shall have the option to collect and remit the retail sales tax, if any, payable by the Purchaser on any adjustments set out in this Agreement on chattels which are purchased in this transaction as a charge on the Closing Date and the allocation of such chattels to be estimated, if necessary, by the Vendor.
63. The deposit monies and further deposit monies are expressly deemed to be deposit monies only and not partial payments. Default in payment of any amount payable pursuant to this Agreement on the date or within the time specified, shall constitute substantial default hereunder, and the Vendor shall have the right to terminate this Agreement and the Purchaser shall forfeit all deposit monies in full. In the event of a termination of this Agreement for the Purchaser's default, the deposit monies and further deposit monies are also expressly deemed not to be applied or credited towards the purchase price and shall not serve as a credit (or any other form of set-off) as against the damages incurred by the Vendor. Without prejudice to the Vendor's rights as to forfeiture of deposit monies as aforesaid, and in addition thereto, the Vendor shall have the right to recover from the Purchaser all additional costs, losses and damages arising out of default on the part of the Purchaser pursuant to any provisions contained in this Agreement, including but not limited to interest thereon from the date of demand for payment at the rate of 1.25% (one and one quarter percent) per month, or 15% (fifteen percent) per annum, not in advance until paid. In the event of default hereunder by the Purchaser entitling the Vendor to retain the deposit monies, the Vendor, without limitation to its rights hereunder or at law to recover or collect any other sum or amount shall also be entitled to collect from the Purchaser, as part of the Vendor's genuine pre-estimate of its damages, amounts calculated as follows: management and supervision fees in the amount of \$100.00 per day and insurance costs in the amount of \$25.00 per month or part thereof, from the date of termination of this Agreement due to the Purchaser's default to the date of completion of the resale of the Property. In the event that this Agreement is terminated through no fault of the Purchaser, all deposits shall be returned to the Purchaser without interest. If this Agreement relates to a Common Element Condominium, the Purchaser acknowledges that the Vendor shall not be required to return any amount paid by the Purchaser to the Vendor as Occupancy Fees. The Purchaser further acknowledges that the Vendor shall not be liable for any damages or costs whatsoever incurred by the Purchaser resulting from the termination of this Agreement including, without limiting the generality of the foregoing, relocation costs, professional fees and disbursements, opportunity costs, loss of bargain or any other damages or costs incurred by the Purchaser, directly or indirectly. The Purchaser acknowledges and agrees that this provision may be pleaded by the Vendor as a complete defense to any claim which may be made by the Purchaser against the Vendor.
64. If the Purchaser has received a credit or reduction against the Purchase Price in order to induce the completion of this transaction, accelerate the Closing Date of this transaction or to change or alter the construction specification of the Dwelling Unit and thereafter the Purchaser fails to complete this transaction, all damages shall be assessed as if such credit or reduction had not been granted.
65. The Purchaser acknowledges and agrees that a two hundred and fifty dollar (\$250.00) administrative fee, plus HST, shall be charged to the Purchaser for any cheque, wired funds or direct deposit from the Purchaser's solicitor's trust account paid to the Vendor or the Vendor's solicitors with respect to any deposit payable pursuant to this Agreement or any extras or upgrades which is returned "N.S.F.", "Not Cleared" or upon which a "Stop Payment" has been ordered and such administrative fee shall be paid within five (5) days of written demand therefore. In addition, the Purchaser shall pay any legal fees and disbursements charged by the Vendor's solicitors, as well as any administrative fees charged by the Vendor, plus applicable taxes, in connection with the Purchaser's failure or delay in complying with the terms of this Agreement, or in connection with any changes to adjustments or documentation necessitated by the Purchaser or their solicitors providing incorrect information or amending information previously provided, which fees shall be paid within five (5) days of written demand by the Vendor or its solicitors, or such earlier date as required by the Vendor or its solicitors. A two hundred and fifty dollar (\$250.00) plus applicable taxes, administrative fee shall be charged to the Purchaser for each wire transfer or direct deposit of funds to the Vendor's solicitors; and for each deposit cheque in the possession of the Vendor's solicitors that the Vendor permits to be: (i) exchanged for a replacement cheque; or (ii) deposited on a later date than the date indicated on the face of the said cheque; where such exchange or late deposit is at the request of the Purchaser. The Vendor may require that any replacement cheques be certified and are drawn from either the Purchaser's lawyer's trust account or the Purchaser's personal account (bank drafts from a Canadian Schedule "1" Chartered Bank, only will be accepted). The Purchaser shall only receive a credit for amounts actually received by the Vendor or the Vendor's solicitors pursuant to this Agreement. Any wire transfer fees or other bank or other charges deducted or paid out of Purchaser deposits or other monies paid by or on behalf of the Purchaser hereunder shall likewise be deducted from the corresponding amount to be credited to the Purchaser. Upon request from the Vendor, from time to time, the Purchaser will provide the Vendor evidence, in a form acceptable to the Vendor in its sole and unfettered discretion, that deposits were made with respect to the purchase of the Dwelling Unit.
66. In the event any one or more of the provisions of this Agreement or any portion or portions thereof are invalid or unenforceable, the same shall be deemed to be deleted herefrom and shall not be deemed to affect the enforceability or validity of the balance

of this Agreement. The Purchaser, if required by the Vendor, shall execute and deliver on the Closing Date one or more covenants incorporating the terms hereof.

67. The Purchaser acknowledges that the new home industry is multi-faceted and complex and that while sales agents are knowledgeable about most issues regarding the purchase and construction of a new home, they cannot be expected to know all aspects in detail. Accordingly, the Purchaser acknowledges that no representations have been made to the Purchaser, upon which the Purchaser relies, and which were essential to the Purchaser's decision to purchase this Property, except as are set forth herein in writing. There is no representation, warranty, collateral agreement or condition affecting this Agreement or the Property, or supported hereby, except as set forth herein in writing. The Purchaser is encouraged to have this Agreement reviewed by the Purchaser's solicitor prior to signing same. In the event there is a conflict between any term(s) in this Agreement, the Vendor shall determine which conflicting term(s) prevail(s). The Purchaser acknowledges and agrees that the covenants and obligations of the Vendor contained in this Agreement shall be those of the Vendor only and should the Vendor represent or act as trustee or agent on behalf of a beneficiary or principal (whether disclosed or undisclosed) in executing this Agreement, such beneficiary or principal shall have no liability under this Agreement, such liability being restricted to the Vendor only.
68. All buildings and equipment shall be and remain at the Vendor's risk until the Closing Date. In the event of any damage to the Dwelling Unit, howsoever caused, the Vendor shall be entitled to the insurance proceeds payable under any insurance policy coverage on the Dwelling Unit. The deed is to be prepared at the Vendor's expense, and shall be executed by the Purchaser if required by the Vendor and shall be registered forthwith on the Closing Date at the Purchaser's expense.
69. In the event that more than one party comprises the Purchaser herein, the obligations of such parties under this Agreement shall be joint and several. After execution of this Agreement, and save as to any agreement to terminate this Agreement, execution of any supplementary document (including without limiting the generality of the foregoing, amendments, extra sheets and colour charts) signed by one of the Purchasers shall be sufficient to bind all Purchasers and each such Purchaser expressly grants the other Purchaser(s) a power of attorney to so execute such documents. Provision of credit card information and verbal authorization to process charges to the Purchaser's credit card shall be good and sufficient authority to do so without signature. The Purchaser hereby consents to the Vendor conducting enquiries or exchanging credit information with the credit agencies concerning this Agreement or the Purchaser at any time. The Purchaser consents to the Vendor's collection and use of the Purchaser's personal information pursuant to this Agreement (the "Personal Information") as may be required to complete the construction and sale of the Dwelling Unit to the Purchaser. In addition the Purchaser consents to the distribution of Personal Information to any other trade, businesses, bodies or agencies as deemed appropriate by the Vendor which shall include but not be limited to (i) financial institutions or private lenders; (ii) insurance companies; (iii) any of the Vendor's trades or suppliers, property managers, or any sub-trades and sub-suppliers; (iv) providers of telephone, television, telecommunication, security and utility services; and (v) any taxing authorities, whether Federal, Provincial or Municipal. If the Purchaser does not attend in person to sign this Agreement, then the Vendor may be required to verify the Purchaser's identity and/or the validity of their identification remotely or through electronic methods, to comply with various statutes and/or regulations. The Purchaser consents to the collection and use of the Purchaser's image and personal and other information contained on the identification submitted by them for verification purposes, which may include the use of third-party verification software. The Purchaser agrees to provide any information and/or documentation required by the Vendor and/or the verification software in order to verify the Purchaser's identity and/or confirm that the Purchaser's identification is valid. Should the Purchaser fail to provide the documentation or information requested within five (5) days of request from the Vendor, or should the software determine that the identification is not valid or the Purchaser's identity cannot otherwise be confirmed remotely in a fashion that satisfies the regulatory requirements in the Vendor's sole, absolute and unfettered discretion (the "ID Requirements") then the Vendor shall provide notice to the Purchaser to attend in person within five (5) days at a location designated by the Vendor for such purpose, and the Purchaser shall at that time provide such information and identification as requested by the Vendor to satisfy the ID Requirements. If the Purchaser does not satisfy the ID Requirements either remotely and/or in person such failure shall be an FBOC and the Vendor may terminate this Agreement and the Purchaser shall have no right or interest in or to the proposed Dwelling Unit or the Property.
70. This Offer is irrevocable by the Purchaser until one minute before midnight on the irrevocable date as hereinbefore set out, after which time if not accepted, this Offer shall be void and the deposit monies returned to the Purchaser, without interest or deduction.
71. This transaction to be completed on the Closing Date subject to the Vendor's various rights of extension as hereinbefore set out, on which date vacant possession of the Dwelling Unit is to be given to the Purchaser.
72. This Offer is to be read with all changes of gender or number required by the context and when accepted, shall constitute a binding contract of Purchase and Sale, and time shall, in all respects, be of the essence.
73. Headings are for the ease of reference only and shall not be read as part of this Agreement nor limit or modify any of the obligations of either party hereto.
74. All notice required by Tarion, shall be delivered to Purchaser in accordance with the terms of the Addendum. Any other notice required to be given to the Vendor or Purchaser, prior to or on the Closing Date, shall be adequately given if given in writing to the party's solicitor, or to the party's contact information, if any, set out on the Addendum. Any change of contact information by the Purchaser shall not be effective unless given in writing to the Vendor at its head office. If the Purchaser fails to provide an email address or the email address provided is no longer valid prior to the Closing Date, the Vendor may send any notices required by the Addendum via Registered Mail, and the Vendor will charge the Purchaser a fee of \$25.00 plus HST per notice. Any email updates must be provided in writing to the Vendor's address on the Addendum. Purchaser acknowledges that notice will only be sent to one (1) email address, noted on the Addendum, and that notice to said email address is deemed notice to all Purchasers.

75. In the event that this Agreement provides for any event to occur on a date, which is a Saturday, Sunday, or a Statutory Holiday, such event will occur on the first business day immediately thereafter unless the Tarion rules prescribe a different date in which case the Tarion rules shall prevail with regard to such date.
76. If, on or after registration of the Plan of Subdivision, the lot number of the Property is changed, the Purchaser agrees to accept such variation in lot number and this Agreement shall be read with all amendments required thereby.
77. If, prior to the Closing Date, the Purchaser fails to comply with any of the Purchaser's obligations herein or otherwise breaches any portion hereof, the Purchaser shall be deemed to be in default hereunder, and the Vendor may (in addition to any other remedy) terminate this Agreement whereupon the Purchaser's deposits shall be forfeited to the Vendor on account of liquidated damages and not as a penalty. The Vendor's non-enforcement of any default or remedy shall not be deemed to be a consent to any default or to be a waiver of any continuing or subsequent default.
78. The Purchaser acknowledges receiving one complete executed copy of This Agreement. The Purchaser is responsible for providing a copy of same to its solicitor. If the Purchaser requires any additional copies of this Agreement, for any reason whatsoever, and the Vendor agrees in its sole, absolute and unfettered discretion to provide a further copy; the Purchaser agrees to pay the fee for the additional copy, such fee determined by the Vendor.

HST:

79. The parties acknowledge and agree that the Purchase Price stipulated in the within Agreement is inclusive of any applicable Goods and Services Tax and the Harmonized Sales Tax ("GST/HST") levied pursuant to Part IX of the Excise Tax Act (Canada) (the "GST/HST Legislation") and that the actual consideration for the property, exclusive of any extras, requested changes or adjustments as herein provided, is the amount derived by subtracting the GST/HST payable with respect to the within transaction of Purchase and Sale (net all refunds, credits and rebates available to the Purchaser and assigned to the Vendor pursuant to the GST/HST Legislation and any regulations made thereunder) from the Purchase Price (the "Consideration"). The Purchaser acknowledges and agrees that the Vendor shall insert the Consideration in Box 4 of the Transfer/Deed of Land of the property that the Vendor delivers to the Purchaser on the Closing Date.
80. In consideration of the Purchase Price being inclusive of any applicable GST/HST, the Purchaser hereby irrevocably assigns to and in favour of the Vendor (or any other party as may be directed by the Vendor) any and all rights he may have on Closing or thereafter to any refunds, credits, rebates (the "Rebates") available with respect to the within transaction of Purchase and Sale pursuant to the GST/HST Legislation and any regulations made thereunder.
81. Subject to Paragraph 83 below, the Purchaser covenants, warrants and represents that the Purchaser is an individual whom is acquiring the property for use as their primary place of residence (or the primary place of residence of a "relation" as defined in the GST/HST Legislation) and that the Purchaser shall forthwith following the Closing Date personally occupy the property or cause one or more of their relations (as defined in the GST/HST Legislation) to occupy the property as his or their primary place of residence (as defined in the GST/HST Legislation) for such period of time as shall then be required in order to entitle the Purchaser to the Rebates. Ownership and title to the property shall be transferred to the Purchaser and not to any third party.
82. Subject to Paragraph 83 below, the Purchaser covenants and agrees to deliver to the Vendor, on the Closing Date any and all assignments, directions, applications, consents, declarations, undertakings and other documents required by the Vendor to enable the Vendor (or any other party as may be directed by the Vendor) to apply for and receive the Rebates. The Vendor shall have the right to credit the Rebates to the Purchaser and/or Vendor, as applicable pursuant to the provisions hereof on the Closing Date, as determined by the Vendor in its sole absolute and unfettered discretion. The Purchaser hereby irrevocably nominates, constitutes and appoints any officer of the Vendor (or any other party as may be directed by the Vendor) with full power of substitution, as the Purchaser's true and lawful attorney and agent pursuant to the provisions of the Powers of Attorney Act, R.S.O. 1990, with full power and authority in the Purchaser's name, place and stead, to execute, swear to and record any and all documents that may be required in order to have the Rebates paid and/or credited to the Vendor, or as the Vendor may direct, as well as making any minor changes, amendments, deletions or insertions to any documents previously executed by the Purchaser in connection with the Rebates. The Power of Attorney hereby granted is granted in accordance with the Powers of Attorney Act of Ontario and is irrevocable, shall survive the Closing, and will extend to and be binding upon the heirs, executors, administrators, successors and assigns of the Purchaser.
83. In the event that the Purchaser shall, for any reason, fail to qualify for the Rebates, the Purchaser shall indemnify the Vendor in the amount that the Purchaser would have been entitled to had the Purchaser so qualified for the said Rebates, and in the event that such failure to qualify is known on or before the Closing Date, the Vendor shall be credited in the statement of adjustments with the amount of the Rebates.
84. The Purchaser acknowledges that where a credit or credits against the Purchase Price are to be given to the Purchaser on Closing, any or all of such credit or credits, as determined by the Vendor in its sole, absolute and unfettered discretion, shall be reflected as a reduction in the Purchase Price for the purposes of calculation of GST/HST, so as to minimize the amount of GST/HST payable.
85. Notwithstanding that the Purchase Price stipulated in the within Agreement is inclusive of any GST/HST payable, the Purchaser shall, at his own cost and expense, be responsible for payment of GST/HST on all adjustments and amounts payable for extras and any increase in the rate of GST/HST after the date hereof up to and including the Closing Date.

86. The parties acknowledge and agree that as part of and included in the Purchase Price stipulated in the within Agreement, the Vendor has paid as agent for and on behalf of the Purchaser, for certain taxes, levies, imposts, building permit fees and certain development charges including education development charges and park surcharges applicable to the Property. The parties acknowledge and agree that these amounts may be shown separately in the Statement of Adjustments and subject to the GST/HST.
87. Notwithstanding anything contained in this Agreement to the contrary, the Vendor, in its sole, absolute and unfettered discretion, may require that the Purchaser apply directly for the Rebates after Closing and in such event the Purchaser shall pay to the Vendor by certified cheque drawn on an Ontario lawyer's trust account on the Closing Date, the amount of the Rebates, in addition to the balance due on Closing and the Rebates shall not be assigned by the Purchaser to the Vendor on the Closing Date.
88. The Purchaser acknowledges that the purchase of any extras or upgrades from the Vendor may result in the reduction of the Rebates otherwise payable to the Vendor. In such event, the Purchaser shall pay to the Vendor the amount of such reduction as an adjustment on the Closing Date, as determined by the Vendor.

ONTARIO NEW HOME WARRANTY:

89. The Purchaser shall not be entitled to examine the Dwelling Unit except when accompanied by a representative of the Vendor. Breach of this provision constitutes a trespass, and the Vendor in addition to any other remedy it may have at law, shall be entitled to terminate this Agreement and forfeit the Purchaser's deposit. The Purchaser agrees to comply with all regulations under the Occupational Health & Safety Act, including the wearing of head and foot protection and such other safety apparel as designated by the Vendor. The Purchaser further agrees to, and does hereby, indemnify and save the Vendor, its servants and agents harmless from all action, causes of action, fines, claims and demands for, upon or by reason of any damage, loss or injury to person or property of the Purchaser, or any of the Purchaser's friends, relatives, workmen or agents who have entered on the Property or any part of the subdivision of which the Property forms a part whether with or without permission, express or implied, of the Vendor.
90. The Vendor agrees to make available, and the Purchaser (which term shall include the Purchaser's designate authorized in writing in the form specified by the Tarion Warranty Corporation) agrees to meet a representative of the Vendor during the Vendor's usual business hours during the seven (7) business days immediately prior to the Closing Date to perform a Pre-Delivery Inspection ("PDI") of the Dwelling Unit and verify that the Dwelling Unit has been completed in accordance with the provisions of this Agreement. The Purchaser is to arrange the PDI with a representative of the Vendor and is to give the representative of the Vendor at least three (3) days prior notice of the said PDI. In the event of any items remaining uncompleted, at the time of such PDI, only such uncompleted items shall be listed by the Vendor on the approved forms required to be complete pursuant to the provisions of the Tarion Warranty Corporation (the "Tarion Forms"), which the Purchaser covenants to execute. This Agreement constitutes the Vendor's undertaking to complete the Dwelling Unit in accordance with its obligations herein and the Tarion Warranty Corporation, and no separate undertaking or acknowledgement will be delivered on the Closing Date.
91. The Vendor shall complete such warrantable items as are contained within the Tarion Forms within a reasonable time after the Closing Date, subject to weather conditions, and the availability of supplies and trades. The warranties given under the Ontario New Home Warranties Plan Act, as amended, replace any warranties at law or otherwise.
92. The Purchaser agrees that in no event shall the Purchaser be entitled to obtain possession of the Dwelling Unit until and unless the Purchaser has executed the Tarion Forms. In the event the Purchaser fails to attend to an inspection and/or has not executed the Tarion Forms prior to the Closing Date, such failure shall be deemed a FBOC and this Agreement shall, at the Vendor's sole option, be at an end and the Purchaser agrees that the deposit monies paid by the Purchaser hereunder shall be forfeited to the Vendor in addition to and without prejudice to any other remedy available to the Vendor arising out of such default. The Purchaser acknowledges and agrees that the Purchaser's contact information will be shared with Tarion via email and/or through the BuilderLink on Tarion's website. The Purchaser shall be responsible to update their contact information with Tarion and/or provide Tarion contact information for the assignee if they assign this Agreement. The Purchaser is responsible to update their contact information in writing to Tarion and the Vendor separately (notice to one does not constitute notice to the other). Tarion's new Learning Hub can be found at: www.tarion.com/learninghub
93. The Purchaser acknowledges that failure by the Vendor to provide any Notice required by Tarion to be given, does not give the Purchaser any right to terminate this Agreement, save and except for any express and specific rights of termination as in the Addendum set out, but may give rise to rights to compensation only.
94. The Purchaser acknowledges and accepts that the Dwelling Unit is located in an active and ongoing construction zone, and as such home construction on other lots or construction of subdivision services such as top coat of asphalt on roads and curbs may be incomplete for some time after Closing until the Vendor and/or the Subdivider has satisfied its obligations with the Municipality. Also, Subdivision services may still be unassumed at the time of Closing; roadways and sidewalks may be incomplete, uneven and/or closed to local traffic; kindly heed all speed zones, school zones and all warning signs. At all times, Purchaser(s), their family members (especially children) and their invitees must use caution around construction vehicles and around school sites. The Vendor assumes no responsibility for property damage or personal injury howsoever caused. The Purchaser shall indemnify the Vendor, and the Vendor's directors, officers, employees, permittees, licensees, contractors, subcontractors and invitees from and against any and all present or future claims, suits, demands, costs, losses, expenses and damages suffered or incurred by the Purchaser, their family, visitors or tradespeople or any of their tenants, agents or invitees resulting from or in connection with the ongoing construction activities or the nature of lands and buildings currently under construction.

95. In the event of an occurrence, such as but not limited to a pandemic, state of emergency, natural disaster or other like event or peril, the Vendor may modify or vary any procedure, timeline or process, including but not limited to PDI, colour selections and key release, herein specified or applicable as permitted by any emergency order, governmental or other quasi-governmental authority or as the Vendor, acting reasonably, determines is appropriate in the circumstances.

- b. Sales appointments and/or décor appointments via teleconference or telephone will use digital images or photographs of the Vendor's samples, model homes, etc. Such digital images when displayed on the Purchaser's computer monitor or other device may not match the model home, samples, floor plans, or any other image displayed over the internet due to the hardware/software configuration of the computer or device. In the event of a conflict between images displayed online and the Vendor's original images or samples, the Vendor's original images or samples shall prevail. Additionally, the Purchaser may be shown hard copies of documents, images or plans via teleconference by a sales agent. Execution and delivery of this Agreement, including any subsequent amendments or deliveries thereto, by electronic exchange bearing the copies of a party's signature or initials (which includes an electronic version of their signature or initials generated by the software used to complete the transaction) shall constitute a valid and binding execution and delivery of this Agreement by such party. Such electronic copies shall constitute enforceable original documents and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. Except as expressed herein, no party hereto shall raise the use of electronic mail attachment in "pdf" or similar format to deliver a signature, or the fact that any signature was transmitted or communicated as an attachment to an electronic mail message, as a defense to the formation of a contract and each party forever waives any such defense. An electronically scanned copy of a signature, or a signature signed by way of DocuSign signature or like software, shall constitute and shall be deemed to be sufficient evidence of a party's execution of this Agreement, without necessity of further proof. It shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart.
- d. As an alternative to receiving the first deposit, or any subsequent deposits, by cheque, at the Vendor's sole and unfettered discretion, the deposit(s) pursuant this Agreement may be delivered by the Purchaser to the Vendor via wire transfer pursuant to the wire transfer instructions and requirements provided by the Vendor. The first deposit if made by wire transfer shall be made within two (2) business days of execution of this Agreement by all parties, failing which the Vendor may terminate this Agreement forthwith. The Purchaser shall e-mail to the Vendor a copy of the wire transfer receipt, to confirm the deposit has been sent, forthwith after sending the wire transfer. In order to ensure correct application of the deposit the Purchaser shall strictly follow the instructions in the wire transfer memo. If the Purchaser fails to strictly follow the instructions, or otherwise fails to strictly comply with their obligations under this paragraph, the Vendor may treat this Agreement as not having come into force or may require the Purchaser to pay the Vendor, by way of adjustment to the Purchase Price, an administration fee of \$350.00 plus H.S.T., per occurrence. Notwithstanding the forgoing, the Vendor shall have no liability for its Bank's failure to receive the wire transfer and /or for the Vendor to be able to correctly apply same. The Purchaser shall be responsible for any fees, costs and charges levied by its bank required to wire the deposit funds to the Vendor's bank account to ensure the Vendor receives the entire deposit required and the Purchaser shall be responsible to provide any shortfall of the deposit amount due in accordance with this Agreement to the Vendor forthwith upon notice of the shortfall being delivered to the Purchaser from the Vendor and/or its solicitors. All payments delivered hereunder, shall be delivered from a Schedule 1 Canadian Bank and be delivered in Canadian dollars.
- e. The Purchaser's obligation to pay the first deposit, or any subsequent deposit, if permitted by the Vendor in its sole and unfettered discretion, by wire transfer shall only be satisfied once the Vendor receives from its bank confirmation of receipt of the wire in the Vendor's designated account. For certainty, the date of commencement of a wire transfer and any related information on the Purchaser's wire confirmation shall not be deemed fulfillment of the Purchaser's obligation hereunder to pay the deposit. The Purchaser shall be considered in default under the terms of the Agreement in the event the Vendor's bank does not confirm that the wire has been received in the amount and by the date required herein.
- f. If the Vendor has been wired funds from the Purchaser (whether on account of the first deposit or otherwise) that the Vendor is not prepared to accept:
 - i. the receipt of such funds by wire will not prejudice the Vendor from availing itself from any and all rights and remedies under this Agreement, at law and in equity and will not be construed as or constitute a waiver or release any said right or remedy; and
 - ii. the Vendor may return such funds to the Purchaser in whatever manner the Vendor chooses to do so, including, without limitation, by cheque mailed to the Purchaser at the address set out on the first page of this Agreement.

- g. The Purchaser hereby covenants and agrees that he/she/it shall instruct and cause his/her/its bank to add the wire fees set out in the Vendor's wiring instructions to each amount being wired.
- h. The Purchaser further acknowledges and accepts that any such downward adjustment/reduction of price of other homes may affect the appraisal value of the subject property, the Purchaser's ability to obtain a mortgage in an amount originally contemplated by the Purchaser and/or affect the future marketability or resale value of the subject property. The Purchaser acknowledges and accepts the Vendor's and its associated or affiliated entities' foregoing right of downward adjustment/reduction of price and hereby releases the Vendor and its associated or affiliated entities from any claims, costs, demands or liability whatsoever with respect to any such downward adjustment/reduction of price and which release shall survive the closing of this transaction and will extend to and be binding upon the heirs, executors, administrators, successors and assigns of the Purchaser. The Purchaser further acknowledges and accepts that any such downward adjustment/reduction of price occurring prior to the closing date, shall not affect or reduce the Purchaser's obligation to complete the closing of this transaction at the Purchase Price and on the terms set out in this Agreement.

AGENCY DISCLOSURE ACKNOWLEDGEMENT

Lot No.:
Site Name: Ivy Rouge (Oakville)
Vendor: Rainbow River Valley Estates Inc.

The Purchaser(s) herein acknowledge **Spectrum Realty Services Inc.** has an agency relationship with the Vendor: Rainbow River Valley Estates Inc. and will be compensated through the Vendor. This compensation is usually called commission and usually takes the form of a fee or payment from the Vendor of the real property upon successful completion of the real estate transaction.

An agency relationship is created where one person, known as the principal asks another person, known as the agent, to act for and on behalf of the principal. The principal will define the nature and extent of the relationship. Real estate agency relationships are created when vendors or purchasers ask realtors to act on their behalf in real estate transactions.

An agent who represents a principal (vendor) owes the principal (vendor) the highest duty of "upmost faith", the agent must represent the principal's (vendor) best interest at all times. The agent owes his principal (vendor) a duty of confidentiality regarding information about the principal (vendor). However, the purchaser can expect the realtor to disclose all pertinent information about the property, not to misrepresent any facts, and to honestly answer all questions about the property. This has been a usual form of relationship for many years in the real estate industry.

As Purchaser, I/we confirm and acknowledge being advised that, and consent to the fact that **Spectrum Realty Services Inc.** acts as agent only for the Vendor and will be compensated only by the Vendor.

The Purchaser(s) acknowledge that (Initial One):

The Purchaser(s) acknowledge that they are being represented by a Broker/Sales Representative by a separate Broker Representation Agreement OR

The Purchaser(s) acknowledge that they are Self-Represented and are in receipt of the RECO Information Guide, and the Information and Disclosure to Self-Represented Party Form.

Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you **by your builder** and backed by Tarion.

For more detailed information, visit [tarion.com](https://www.tarion.com) and log into our online learning hub at <https://www.tarion.com/homeowners/homeowner-resources-hub>

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: <https://www.tarion.com/homeowners/homeowner-resources-hub>

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your occupancy date and provides up to a maximum of \$400,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against the unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario's Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty - not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via <https://tarion.com/builders/construction-performance-guidelines>.

1. Critical Dates

The **First Tentative Closing Date**, which is the date that the Vendor anticipates the home will be completed and ready to move in, is:

A **Second Tentative Closing Date** can subsequently be set by the Vendor by giving proper written notice at least 90 days before the First Tentative Closing Date. The Second Tentative Closing Date can be up to 120 days after the First Tentative Closing Date, and so could be as late as:

The Vendor must set a **Firm Closing Date** by giving proper written notice at least 90 days before the Second Tentative Closing Date. The Firm Closing Date can be up to 120 days after the Second Tentative Closing Date, and so could be as late as:

If the Vendor cannot close by the Firm Closing Date, then the Purchaser is entitled to delayed closing compensation (see section 7 of the Addendum) and the Vendor must set a Delayed Closing Date.

The Vendor can set a Delayed Closing Date that is up to 365 days after the earlier of the Second Tentative Closing Date and the Firm Closing Date: This **Outside Closing Date** could be as late as:

2. Notice Period for a Closing Delay

Changing a Closing date requires proper written notice. The Vendor, without the Purchaser's consent, may delay Closing twice by up to 120 days each time by setting a Second Tentative Closing Date and then a Firm Closing Date in accordance with section 1 of the Addendum but no later than the Outside Closing Date.

Notice of a delay beyond the First Tentative Closing Date must be given no later than: (i.e., at least **90 days** before the First Tentative Closing Date), or else the First Tentative Closing Date automatically becomes the Firm Closing Date.

Notice of a second delay in Closing must be given no later than: (i.e., at least **90 days** before the Second Tentative Closing Date), or else the Second Tentative Closing Date becomes the Firm Closing Date.

3. Purchaser's Termination Period

If the purchase of the home is not completed by the Outside Closing Date, then the Purchaser can terminate the transaction during a period of **30 days** thereafter (the "**Purchaser's Termination Period**"), which period, unless extended by mutual agreement, will end on:

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed closing compensation and to a full refund of all monies paid plus interest (see sections 7, 10 and 11 of the Addendum).

Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 5 of the Addendum).

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Closing Dates and the Firm Closing Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- (b) **First Tentative Closing Date:** The Vendor shall identify the First Tentative Closing Date in the Statement of Critical Dates attached to the Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Closing Date - Three Ways

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the "Firm Closing Date" for all purposes in this Addendum.

3. Changing the Firm Closing Date - By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates - By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary - the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and
 - (iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;

Freehold Form (Tentative Closing Date)

- ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
- iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates - Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. Yes No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

Condition #1 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is:

The date by which Condition #1 is to be satisfied is .

Condition #2 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is:

The date by which Condition #2 is to be satisfied is .

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the Planning Act, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code - Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):
- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.

Freehold Form (Tentative Closing Date)

- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the Building Code Act) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

SAMPLE

Schedule "X"

CONSTRUCTION:

1. The Vendor will construct (if not already constructed) and complete upon the Property a Dwelling Unit of the type hereinbefore indicated, in accordance with the plans and specifications filed or to be filed with and approved by the Municipality, as may be amended or modified from time to time. Minor modifications to the plans may not require resubmission to the Municipality for approval and the Purchaser agrees to accept said changes, without notice, to the Dwelling Unit as made by the Vendor even if said changes are not reflected on the plans approved by the municipality.
2. The Purchaser covenants to attend, during the Vendor's regular business hours and as scheduled by the Vendor, within seven (7) days of notification to make colour and other selections from the Vendor's standard samples, such selections to be noted on the Vendor's standard form and when completed shall constitute part of this Agreement (the "Colour Chart"). In the event that any item(s) selected by the Purchaser on the Colour Chart including any extras or upgrades are unavailable or will not be available in a timely fashion (as determined by the Vendor in its sole discretion) the Purchaser shall attend within 7 days of written notification from the Vendor to re-select an alternate, for the unavailable items only. In the event that the Purchaser does not, or refuses to, attend, select or reselect within the times noted herein such failure shall be deemed to be a Fundamental Breach of Contract (hereinafter in this Agreement referred to as "FBOC") entitling the Vendor to terminate this Agreement and all monies paid by the Purchaser pursuant to this Agreement shall be forfeited to the Vendor in addition and without prejudice to any other remedies available to the Vendor arising out of such default. If the Purchaser's failure to attend, select or reselect in a timely manner results in or contributes to the delay of the Closing Date, as determined by the Vendor in its sole discretion, the Vendor may add as an adjustment on the Statement of Adjustments an amount equal to the compensation payable by the Vendor to the Purchaser under the Ontario New Home Warranties Plan Act ("Tarion") together with interest on the outstanding balance of the Purchase Price calculated at the rate of TD-Canada Trust Bank Prime plus 5% per annum, pro-rated for the period of time that the Closing Date was delayed. The Vendor may charge an administrative fee of Three Hundred (\$300.00) Dollars plus HST for missed or cancelled appointments or for second re-booking or more of appointments to complete a Colour Chart, without 2 business days' notice, such amount to be added as an adjustment on the Statement of Adjustments. In the event that the Purchaser requests any amendment to the Colour Chart after the date on which the Colour Chart is finalized and executed by Purchaser, the Purchaser agrees to pay all costs associated with such amendment plus an administration fee of Seven Hundred and Fifty (\$750) Dollars plus HST each time the Colour Chart is modified at the request of the Purchaser. For greater certainty, the Purchaser acknowledges and agrees that the Vendor shall have no obligation to accommodate any requested amendment to the Colour Chart, which shall be in the Vendor's sole and absolute discretion.
3. The Purchaser specifically acknowledges that colour or shade variances sometimes occur in finishes due to manufacturing or ordinary variation within natural products. The Purchaser shall accept any such colour/shade variation resulting from the manufacturing process or from ordinary variation within different samples of natural finishes without any right of abatement of the Purchase Price and in full satisfaction of the Vendor's obligations herein. No changes shall be permitted for those selections which the Purchaser is entitled to make, without the prior written consent of the Vendor (which consent may be arbitrarily withheld), and in the event any item for which the Purchaser has a selection right has been previously installed or completed, then the Purchaser shall be deemed to have accepted the installed/completed item. Notwithstanding anything herein contained, non-installation of such selections by the Closing Date shall not entitle the Purchaser to extend the Closing Date or to an abatement in the Purchase Price.
4. All amounts paid for extras shall be non-refundable in the event that this transaction is not completed for any reason whatsoever save for the default of the Vendor or as required by the Tarion. If any of the extras or upgrades ordered by the Purchaser are not supplied for any reason whatsoever, the Vendor shall refund to the Purchaser on or after the Closing Date the amount paid by the Purchaser in connection with such extras or upgrades, and the amount so paid by the Purchaser (or for which at the Vendor's option, the Purchaser is to receive a credit on the Statement of Adjustments) shall be accepted by the Purchaser as a full and final settlement of any claims by the Purchaser with respect to such extras or upgrades and the Purchaser acknowledges that the Vendor's liability with respect to any and all such extras or upgrades shall be limited to the return of the amounts referred to, as aforesaid, and upon such payment being made or credit being given, the Vendor shall be released from any and all obligations with regard to such extras or upgrades.
5. The Dwelling Unit shall be deemed to be completed when all interior work has been substantially completed as determined by the Vendor, and the Purchaser agrees in such case, provided the Municipality has approved the Dwelling Unit for occupancy and the Vendor has provided the evidence required by Tarion, to close this transaction, without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete the Dwelling Unit. The Purchaser hereby agrees, provided that there are no liens under the Construction Act (the "CA") registered on title to the Property at the Closing Date, to accept the Vendor's covenant of indemnity regarding unregistered lien claims which are the responsibility of the Vendor, its trades and/or suppliers in full satisfaction of the Purchaser's rights under the CA, and will not claim any lien holdback on the Closing Date. If there are any such liens registered against title to the Property on the Closing Date, then in such event the Purchaser shall accept the Vendor's undertaking to obtain, and register, a discharge of such lien and an Order vacating any Certificates of Action registered on title to the Property arising from the Vendor's work and to close on the Closing Date without holdback of any part of the Purchase Price.
6. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality or to comply with specifications in or modifications to the Ontario Building Code or any other applicable legislation. Notwithstanding the Purchaser's right to select finishes, in the event the Vendor through inadvertence installs an incorrect item or omits to install an item selected, then in either of such case the provisions of paragraph 4 above shall apply as if such item were an extra or upgrade.

7. The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling Unit with a walk-out basement, or rear deck where so indicated in this Agreement, or vice versa. In the event that this home is described on the first page of this Agreement as having a "walkout", and such walkout is not appropriate, as determined by the Vendor in its sole, absolute and unfettered discretion, then the Purchase Price herein shall be reduced by Twenty Thousand (\$20,000) Dollars for each semi-detached home or each town home or Thirty Thousand (\$30,000) Dollars for a fully detached home. In the event that this home is not described, on the first page of this Agreement as having a "walkout" and the Vendor determines, as evidenced by Statutory Declaration of the Vendor, that such walk out is appropriate, having regard to final approved grading and engineering plans then the Purchase Price herein shall be increased by Twenty Thousand (\$20,000) Dollars for each semi-detached home or each town home or Thirty Thousand (\$30,000) Dollars for a fully detached home. Any credit or additional charge shall be made by way of adjustment on the Statement of Adjustments and shall be paid or credited on the Closing Date, which amount above includes HST.
8. The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, acoustical barriers and corner lot fencing (including the location of such acoustical barriers or corner lot fencing), exterior colour schemes, or any other matter external to the Dwelling Unit, may be imposed by either or both of the Municipality or the Subdivider. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling Unit other than as specified in this Agreement, or amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling Unit (all of which is hereinafter referred to as the "**Amended Elevation**"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling Unit herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement.
9. The Vendor shall have the right, in its sole, absolute and unfettered discretion, to construct the hereinbefore described Dwelling Unit either as shown on the sales brochures, marketing material, community maps, renderings and other plans and specifications (hereinafter collectively referred to as the "**Sales Brochure**") therefore, or to construct such Dwelling Unit on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout, or to rotate same for corner lot units. Construction of a reverse mirror image plan, or rotated plan, of the Dwelling Unit is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling Unit type hereinbefore described. Further, in the event the Vendor determines, in its sole, absolute and unfettered discretion, to construct the Dwelling Unit at a grade level different than that depicted in the Sales Brochures, or for any other reason as determined by the Vendor, necessitating the addition or elimination, rotation or re-orientation of a step or series of steps at any door to the Dwelling Unit, or any door from the garage to the interior of the Dwelling Unit, the Purchaser hereby irrevocably agrees to accept such change without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to construction of the Dwelling Unit type hereinbefore described.
10. In the event the Purchaser performs any work in or about the Dwelling Unit, or fails to deliver any document or acknowledgement, or takes or omits to take any action which causes delay in the Vendor's construction operations (each or any of which the Vendor may consider a FBOC) or in the Closing Date resulting in the Vendor being required, in accordance with the Statement of Critical Dates and Addendum (hereinafter the "**Addendum**"), to set a Delayed Closing Date, the Vendor shall have the right, in addition to any other right the Vendor has herein, to require that all adjustments shall be as of the date set for closing prior to the extension and to add as an adjustment on the Closing Date the sum of \$150.00 per day for each day of extension together with an amount equal to interest on the unpaid balance of the purchase price at the prime rate of interest charged by the Vendor's bank plus 5% per annum, pro-rated for the period of time that the Closing Date was delayed by reason of or arising from any or all of the foregoing.
11. Unless specifically agreed to by the Vendor in writing, no work shall be done by, or for the Purchaser in or to the Dwelling Unit prior to the Closing Date ("**Unauthorized Work**"). The Purchaser acknowledges that a breach of this condition constitutes a trespass and entitles the Vendor, at its sole, absolute and unfettered discretion to take any of the following actions: i) declare such action to be a FBOC entitling the Vendor to terminate this Agreement whereby the Purchaser's deposit shall be forfeited to the Vendor; ii) finish the Dwelling Unit to the extent possible, as determined by the Vendor in its sole, absolute and unfettered discretion, without regard to possible damage to the Unauthorized Work and without incurring any additional expense as a result of the Unauthorized Work. iii) remove and/or repair the Unauthorized Work, and any other portion of the Dwelling Unit thereby affected, and to receive compensation therefore as an adjustment on the Closing Date in an amount to be determined by the Vendor in its sole, absolute and unfettered discretion. Further, the Purchaser acknowledges that the Vendor's warranty of workmanship is rendered invalid insofar as it relates to matters affected by the Unauthorized Work. If the Closing Date is delayed due to the Unauthorized Work or the Vendor's removal or modification thereof, then the Vendor shall be entitled to a credit on the Statement of Adjustments equal to any and all compensation payable for such delay pursuant to Tarion requirements. Without limiting the generality of the foregoing, if the Purchaser makes any changes, alterations or additions to any mechanical, electrical or plumbing system or equipment installed by the Vendor, the Vendor's warranty with respect to same (including those provided by Tarion) shall be automatically voided and of no further force or effect.
12. The Purchaser acknowledges that it is anticipated that settlement will occur due to soil disturbances around the Dwelling Unit, the walkways, driveways and sodded areas and all ordinary and minor settlements and rectification thereof, as determined by the Vendor's project manager, shall be the responsibility of the Purchaser. The Vendor shall be responsible to rectify only major settlement, once only, and such major settlement work will, unless of an emergency nature, be corrected when seasonably feasible and according to the Vendor's work program and availability of materials and tradespeople.
13. The Purchaser hereby acknowledges that the Vendor is not responsible for any damages to interior household improvements or décor caused by material shrinkage, twisting or warpage. In addition, the Vendor shall not be responsible for any secondary or consequent damage whatsoever which may result from any defective material, design or workmanship and the Vendor's only obligation shall be to rectify the defect pursuant to the terms of this Agreement.

14. The Purchaser acknowledges that grading and sodding is normally done between June and October of any year. The Purchaser agrees that the Purchaser shall be solely responsible for watering and general maintenance of sod from the Closing Date or from the date that sod is laid, whichever shall be the later, and the Vendor shall have no obligation in that regard. If grass dies due to lack of watering, or other abuse, and is required to be replaced in order to obtain assumption of the subdivision by the Municipality or satisfy the requirements of the Site Plan agreement (hereinafter collectively referred to as "**Assumption**"), then the Purchaser will be responsible for the cost of such new sod and labour, and the Vendor may seek recovery of same from the Purchaser and/or deduct same from the Security Deposit, in addition to any other right or remedy. The Vendor has the right to enter upon the Property to repair and replace sod from time to time. Notwithstanding the Tarion requirements concerning the timing of completion of special seasonal items, which include but are not limited to paving, grading and sodding, the Vendor is permitted to schedule same up to twenty-four (24) months from the Closing Date.
15. The Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor, and prior written consent of the Developer and the Municipality if required by the Subdivision Agreement or any other municipal agreement. The Purchaser shall not alter the size, location, and/or configuration of the driveway prior to Assumption.
16. The Purchase Price includes all Municipal, Regional, educational or other governmental Development Charges, that are in effect as of the date of acceptance of this Agreement. ~~The Purchaser shall pay to the Vendor, as an adjustment on the Closing Date, the amount of any increases in any fees, charges, taxes, assessments, levies, development charges, education development charges or other levy or similar charge assessed against or attributable to the Property or construction of the Dwelling Unit after the date of the Purchaser's execution of this Agreement and any new fees, charges, taxes, assessments, levies, development charges, education development charges of any nature or kind assessed or imposed against or attributable to the Property or construction of the Dwelling Unit after the date of the Purchaser's execution of this Agreement (any such increase or such new fees, charges, etc. collectively referred to as the "Increase"). The amount of the Increase shall be determined by Statutory Declaration sworn on the part of the Vendor, which the Purchaser agrees to accept as the sole and absolute proof thereof and to which the Purchaser agrees to be bound.~~
17. The Vendor shall have no liability whatsoever for work done by a third-party trade at the behest of the Purchaser, either before or after the Closing Date, whether or not such third-party trade was referred to the Purchaser by the Vendor.

PURCHASER'S COVENANTS:

18. Notwithstanding the completion of this transaction, the Purchaser's covenants, warranties and agreements in this Agreement shall not merge and the Purchaser shall provide the Vendor and/or the Subdivider with any further written assurances as may be required by the Vendor and/or the Subdivider to give effect to this covenant either before or after the Closing Date. All of the covenants, warranties and obligations contained in this Agreement to be performed by the Vendor, including title, shall merge on the Closing Date and shall not survive same, save and except for the obligations of the Vendor to complete the Dwelling Unit and related exterior work in accordance with the requirements of Tarion.
19. Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Purchaser further agrees to accept the Property subject to, including but not limited to, any retaining walls, catch basins, sump pumps, infiltration trenches, hydro transformers, telephone/cable/utility boxes, fencing or landscaping required pursuant to any governmental authority, utility, or other body and the approved plans and agreements relating to the Property or as required by site conditions including without limitation the grade of the Property or adjoining lands, and the Purchaser acknowledges and agrees that the Purchaser may be required to repair, maintain or replace same from time to time at the Purchasers cost. The Purchaser may be required, at its sole cost and expense, after the Closing Date to conduct testing, including but not limited to radon testing, in accordance with the requirements of the municipality or any laws or regulations, which testing may be required to obtain Assumption of the subdivision. Should the Purchaser fail to complete the testing as required, the Vendor may enter the Dwelling Unit to conduct such testing and all charges for same shall be the responsibility of the Purchaser.
20. The Purchaser will not alter the grading or interfere with the drainage of the Property contrary to the Municipally approved drainage pattern, and provided that lot grading has been completed in accordance with Municipally approved grading control plan, which may be modified or varied from time to time, the Purchaser is estopped both from objecting thereto and from requiring any amendments thereto. The Purchaser shall ensure that any lifting of sod and/or trenching for alternate utility suppliers, underground sprinkler systems, or otherwise, is properly compacted and reinstated to original final lot grading levels, in default of which, the Vendor shall have recourse to the Security Deposit, in addition to any other right or remedy, to cover the cost of effecting any repairs. Purchasers are advised that storm water management infrastructure, including but not limited to catch basins, swales and/or infiltration trenches which includes tile drainage and underground piping (collectively the "**Drainage Infrastructure**") may be located on their Property. Purchasers are advised that it is their responsibility to maintain, clean and repair said Drainage Infrastructure to ensure that proper drainage is maintained. Purchasers are not permitted to alter the grading or drainage on their Property and are not permitted to alter or cover any Drainage Infrastructure. No structures are permitted on the Drainage Infrastructure and no modification, alteration or excavation of the Drainage Infrastructure is permitted. Should the Purchasers alter, interfere and/or damage the Drainage Infrastructure the Vendor shall be permitted to enter the Purchaser's Property to reinstate the Drainage Infrastructure to municipal requirements, at the sole cost and expense of the Purchaser.
21. The Purchaser covenants and agrees not to damage, interfere or alter any subdivision service, and shall be liable for the cost of rectification of any such damage or alteration and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment, to deduct same from the Security Deposit, and in addition thereto to pursue any other right or remedy.

22. The Purchaser agrees that neither the Purchaser nor the Purchaser's successors or assigns shall construct any fences, hedges, garden shed, patio or swimming pool, television antenna/dish or other structure on the Property until the Municipality has assumed all Subdivision Services or they have received permission from the Vendor to construct same, which permission shall not be granted until the Vendor is in receipt of final lot grading certification for the Property. The Purchaser shall ensure that access by gate or otherwise of at least 1.25 meters in width is available to permit access to the Property and effect repairs to grade and sod by the Vendor.
23. The Purchaser represents to the Vendor upon which representations the Vendor has relied in accepting this Offer that the Property is being purchased for the Purchaser's own personal use and not for speculative or investment purposes.
24. Prior to the Closing Date, the Purchaser covenants and agrees not to post any signs for sale, lease or rent, or list the Property for sale, lease or rent or advise others that the Property is or may be available for sale, lease or rent or offer for sale, lease or rent or sell, lease or rent the Property or to enter into any agreement, conditional or otherwise, to sell lease or rent the Property, or any interest therein, nor to assign this Agreement or any interest therein, or any rights of occupancy, or the benefit thereof, either directly or indirectly, to any person without the prior written consent of the Vendor which may be arbitrarily withheld or delayed. Any offering for sale, lease or rent, or any sale, lease, rental, assignment or attempted assignment of this Agreement or the Property prior to the Closing Date, shall constitute a breach of this covenant which shall, at the Vendor's sole option, have the right to charge, as a genuine pre-estimate of its damages arising from such default, a fee of \$3,000 plus HST for each violation as an adjustment item on the Closing Date, or alternatively entitle the Vendor to terminate this Agreement whereupon the deposit monies paid by the Purchaser hereunder shall be forfeited to the Vendor in addition to and without prejudice to any other remedy available to the Vendor arising out of such default.
25. The Purchaser agrees not to install any planting within six feet of the external walls of the Dwelling Unit home or finish the whole or any part of the basement of the Dwelling Unit for a period of twenty-four (24) months after the Closing Date. The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to basement improvements and chattels stored in the basement resulting from water seepage, including any consequential damages arising therefrom.

TITLE AND CLOSING:

26. The Purchaser acknowledges and agrees that the Purchaser shall not have the right to direct title into the name of any other person or entity who is not also contractually bound as a Purchaser pursuant to this Agreement. The Purchaser shall advise the Vendor within 30 days of execution of the Agreement, of any typos or mistakes in the Purchaser(s) name, address or contact information as noted on the Agreement or any schedules thereto. If the Purchaser will be taking title as Tenants in Common or as Joint Tenants the Purchaser shall advise the Vendor at least 60 days prior to the Closing Date, failing which the Vendor will convey title to the Purchaser set forth and named in this Agreement, and that the Purchasers will hold title as Tenants in Common. Should the Purchaser fail to provide the requisite information as noted above and thereafter require amendments to the documents prepared by the Vendor's solicitors, the Vendor's solicitors and the Vendor shall be entitled to charge a fee in order to make any changes, if said changes are acceptable to the Vendor.
27. Prior to the Closing Date, the Purchaser covenants not to register this Agreement or any other document on title. In the event of a breach of this provision by the Purchaser, the Vendor is hereby granted a Power of Attorney to authorize deletion of any such document from title, all at the Purchaser's sole cost and expense, and in addition to any other remedy as may be available to the Vendor.
28. Keys will be released to the Purchaser at the construction site or the sales office of the Vendor, as the Vendor in its sole, absolute and unfettered discretion determines, upon completion of this transaction, unless otherwise specifically agreed in writing between the Vendor and the Purchaser. The Purchaser agrees that the Vendor's advice that keys are available for release to the Purchaser constitutes a valid tender of keys on the Purchaser. Upon completion of this transaction, if the Purchaser fails to attend to pick up the keys by Five Fifteen (5:15) P.M. on that day, the Vendor may retain the keys at the construction site or sales office, as the case may be, until Ten (10:00 AM) on the next business day and, failing any other agreement between the parties, if the keys have still not been picked up by then, the keys shall thereafter be available for pick up at the Vendor's head office upon notice to the Purchaser or their solicitor that they are at the head office.
29. The Purchaser agrees to accept the Property, subject to the building and other restrictions registered on title, including provisions in the Subdivider's deed to the Vendor or Purchaser, provided there is no breach of such restrictions on the Closing Date, and they do not materially and adversely restrict the use of the Dwelling Unit for residential purposes, and to execute and grant, without any cost to the Vendor, any easements or rights-of-way for installation and/or maintenance of services as may be required, both before and after the Closing Date, by any governmental authority, utility, or other body, including easements for catch basins and leads related thereto. In addition to the foregoing in the event the maintenance and/or private drainage easements have not been created on or before the Closing Date, the Purchaser shall execute and deliver to the Vendor on the Closing Date, without cost or charge, an Acknowledgement permitting the Vendor to register after the Closing Date any such easements on behalf of the Purchaser.
30. The Purchaser acknowledges that the real property dimensions as set out in this Agreement, any Sales Brochures or Site Plan, are approximate only. In the event one or more of the lot width (whether at the lot frontage or rear) or depth of the Property or the square footage of the Dwelling Unit as a whole are varied by up to and including five (5%) percent from those specified in this Agreement or any Sales Brochure or Site Plan the Purchaser agrees to accept all such variations without claim for compensation or abatement in the Purchase Price and this Agreement shall be read with all amendments required thereby. If any such variation exceeds five (5%) percent, the Purchaser, may terminate this Agreement by notice in writing to the Vendor at least 60 days prior to

the Closing Date and the Purchaser shall be entitled to a refund of the deposit monies only, without interest, and the Vendor, Vendor's agent and the Purchaser shall be relieved of all further obligations and liabilities. If the Purchaser does not elect to terminate this Agreement, as aforesaid, then the Purchaser by closing the transaction herein waives their right to make any claim against the Vendor or agent arising from the discrepancy in the size of any dimension as hereinbefore referred to or provided. If the Property is irregular in shape (i.e., not a rectangle) and if any dimension is noted by the Vendor the dimension may be calculated in accordance with the municipal zoning by-law at the front set back line, and not at the boundary of the Property.

31. The location of mechanical installations may not be as shown on the Sales Brochures and will be located in accordance with approved plans and/or good construction practice and may result in room size or garage size reduction commensurate with the mechanicals being installed. Ceiling height of the Dwelling Unit is measured from the upper surface of the concrete floor slab, or subfloor, to the underside of the joists. Floor finishing, ceiling details, lighting and HVAC equipment may affect the actual finished floor to ceiling heights of the Dwelling Unit. In addition, where ceiling bulkheads are installed within the Dwelling Unit, and/or where dropped ceilings are specified or required, as determined by the Vendor, in accordance with approved plans and/or good construction practice, and/or where other plumbing, mechanical systems, electrical or HVAC equipment is located in the ceiling, then the ceiling height of the Dwelling Unit will be less than that represented, and the Purchaser shall be obliged to accept same without any abatement or claim for compensation whatsoever. The Purchaser acknowledges being advised by the Vendor that the Vendor has experienced a high rate of theft of air-conditioning units when they are installed prior to the Closing Date. Accordingly, the Purchaser acknowledges that if this Agreement herein calls for the Vendor to install an air-conditioning unit, the Vendor has the right to install that unit, in accordance with this Agreement, within seven (7) days after the Closing Date. The Purchaser shall not be entitled to any holdback on account of the Purchase Price notwithstanding that the air-conditioning unit is not installed at the Closing Date. Notwithstanding the foregoing, in the event that the Purchaser requires the air-conditioning unit to be installed prior to the Closing Date, the Purchaser shall make written request therefor, such request to be received no later than thirty (30) days prior to the Closing Date by way of separate written request addressed to the Vendor's solicitor. The Purchaser acknowledges that the Purchaser shall assume all liability for the air-conditioning unit in the event that it is stolen after its installation prior to the Closing Date and the Vendor shall not be obliged to replace same nor shall there be any adjustment in the Purchase Price with respect thereto.
32. Where any portion of any fence is within fifteen (15) centimeters of the property line, such fence shall be deemed not to be an encroachment at that point (the "**Permitted Encroachment**") and the Purchaser agrees to accept title to the Property and to complete the sale contemplated herein, without abatement of the Purchase Price and without objection thereto. If any portion of any fence is located more than 15 centimeters within the property line (an "**Unpermitted Encroachment**"), then the Purchaser shall complete the transaction herein either upon the Vendor's undertaking to take all reasonable lawful steps to remove the Unpermitted Encroachment or, at the Vendor's sole option, upon an abatement in the Purchase Price, such abatement to be calculated by multiplying the Purchase Price of the lot only without a Dwelling Unit (or the fair market value of the lot only without a Dwelling Unit as determined by the Vendor in its sole, absolute and unfettered discretion) by the ratio of the area of the Unpermitted Encroachment to the total area of the Property. Despite anything hereinbefore set out, the whole of any fence, or acoustic barrier, erected by any governmental authority, utility or railway or pursuant to any Subdivision, Site Plan or Development Agreement shall be deemed to be a Permitted Encroachment.
33. The Vendor shall have the right to store topsoil on the rear of the Property after the Closing Date, which topsoil shall remain the property of the Vendor, to be used by the Vendor to complete the final grading of the subdivision. The Vendor shall have the right, after the Closing Date, to enter from time to time and remove same.
34. In the event the Property borders land owned by any government, utility, or railway such authority may require fences, entrance gates or other structures to be located within the property line and the Purchaser agrees to accept same and agrees to maintain same, if required by such authority.
35. The Purchaser acknowledges that the Subdivision Agreement and/or any other development agreements entered into between the Subdivider and the Municipality may require the Vendor to provide the Purchaser with certain notices ("**Subdivision Agreement Notices**"), including, but not limited to, land usage, maintenance of Municipal fencing and acoustic barriers, school transportation, noise levels from adjacent roadways or properties, noise and/or vibration levels from nearby railway lines, the absence of door-to-door mail delivery, the location of "super mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit the enjoyment by the Purchaser of this Property. In the event the Subdivision Agreement is not registered as of the date of acceptance of this Agreement, and therefore the Subdivision Agreement Notices are not yet available, or if after they are available, they are amended by the Municipality, or are inadvertently omitted or misquoted by the Vendor herein, and if the Municipality requires the Purchaser to receive a copy of the Subdivision Agreement Notices, then a copy of the Subdivision Agreement Notices as revised as necessary, shall be sent to the Purchaser's address as shown on this Agreement or to the Purchaser's solicitor and such communication (whether by mail, fax or e-mail) shall be deemed to constitute appropriate notification. In any event the Vendor shall have no liability for failure to deliver any such warning clauses or notices to the Purchaser or if such warning clauses fail to come to the attention of the Purchaser. The Purchaser agrees to be bound by the contents of any such notice and covenants to execute forthwith upon request, an acknowledgment containing such notice if and when requested to do so by the Vendor. The Purchaser further acknowledges that the height, style, location, paint or stain colour, or even the prohibition of fencing may be regulated by the Subdivision Agreement, Site Plan Agreement, Municipal by-laws, Architectural control guidelines or Fire Department regulations. The Purchaser acknowledges and agrees that easements over the property may be required to allow access to the rear yards of internal townhouse units and the Purchaser agrees to grant such easements after the Closing Date if necessary. The Purchaser agrees to abide by any such requirement and acknowledges that breach of this covenant or any such regulation or agreement may entitle the Vendor, the Subdivider, or the Municipality to enter upon the Property without notice to repair, rectify, or demolish contravening fences or other structures or improvements, all at the Purchaser's expense. The Purchaser further acknowledges that some Municipally required subdivision features, including but not limited to fencing and acoustic barriers, might be entirely and well within the property line and that it may be the Purchaser's responsibility to repair and maintain such subdivision features.

36. The Purchaser agrees that title may on the Closing Date be subject to one or more Subdivision or other Development Agreements and that the Subdivider has agreed at its own expense to construct, install and pay for roads, sanitary sewers, watermains and all other services in accordance with the requirements of the Municipality, which the Vendor herein is not responsible to construct, install or pay for. The Purchaser agrees that the Vendor shall not be obligated on the Closing Date or thereafter to obtain releases of such Subdivision or other Development Agreements provided that the same have been complied with as of the Closing Date and the Purchaser shall make such inquiries as are necessary to be satisfied as to such compliance.
37. The Vendor has agreed to acquire registered title to the Property from the Subdivider on terms set forth in a separate agreement. In the event of default by the Subdivider in compliance with the requirements therein contained, or in the event the Subdivider exercises its right, by reason of adverse soil conditions affecting the Property, to terminate the agreement as it relates to the Property, or if the Vendor fails to acquire title through no fault of the Vendor, this Agreement shall be deemed to be frustrated and this Agreement shall be terminated, all deposit monies shall be repaid to the Purchaser without interest or deduction (except as may be required by Tarion), and all parties hereto shall be relieved of any liability or obligation hereunder. The Purchaser acknowledges that all matters external to the lot are the responsibility of the Subdivider from whom the Vendor has acquired the lot upon which the Dwelling Unit is to be built and that any information shown or provided for on any sketch, schedule or plan, relating to matters external to the Lot, whether attached to this Agreement, contained in any Sales Office or marketing material, shall be considered to be preliminary only. The Purchaser agrees to accept any variation or change with respect to any and all information external to the Lot being acquired including: the location of sidewalks, transformers, poles or lights, telephone or cable services, hydrants, curb cuts, landscape features, community amenities, and street configuration, direction or name, without abatement in the Purchase Price and the Vendor shall have no liability or obligation with respect to such change or variation to any matters which are external to the Lot.
38. The Purchaser acknowledges that title may be conveyed directly from the Subdivider of the lands, or a third party owner of the lands and not the Vendor herein, and the Purchaser hereby releases the Subdivider, or third party owner of the lands, from all obligation, liability and responsibility whatsoever arising out of or associated with the construction of the Dwelling Unit and installation of all other improvements within the lot boundaries and the Purchaser agrees to execute and deliver on the Closing Date a separate acknowledgment and release in favour of the Subdivider, or third party owner of the lands, to this effect.
39. In the event any mortgages are outstanding on the Closing Date the discharge of which is the Vendor's obligation, the Purchaser agrees to accept the Vendor's solicitor's undertaking to obtain and register discharge of same within a reasonable period of time after the Closing Date in full satisfaction of the Vendor's obligation in that regard. In the event that, on the Closing Date, a charge is registered on title to the Property in favour of a Chargee other than a bank, insurance company, trust company or other like institutional Chargee (hereinafter the "**Private Mortgage**"), which Private Mortgage is to be discharged on or before the Closing Date, and if the Purchaser does not wish to accept the Vendor's solicitors' undertaking in that regard, then the Purchaser's solicitor shall provide notice in writing to the Vendor's solicitor, at least fifteen (15) days prior to the Closing Date requiring it to be discharged on the Closing Date.
40. The Vendor warrants that, on the Closing Date, all conditions in the Subdivision or other Development Agreements, which restrict occupancy, will have been complied with, and the Municipality will have approved the Dwelling Unit for occupancy. The Purchaser shall not call for the production on the Closing Date of an occupancy permit issued by the Municipality but shall accept the prescribed Tarion evidence as to availability of occupancy without the necessity of an occupancy permit. The Purchaser acknowledges that some Municipalities do not issue written occupancy permits. If work exterior to the Dwelling Unit, such as fencing and acoustical barriers, remains incomplete and the Municipality will not grant occupancy unless it is in receipt of an Indemnity, or any other document as may be required by the Municipality, from the Purchaser with respect to such incomplete work, the Purchaser shall execute and deliver to the Vendor forthwith upon request an Indemnity, or any other document as may be required by the Municipality, in the form required by the Municipality. The Purchaser agrees to forthwith upon request to do all acts and execute and deliver all documents, both before and after the Closing Date, as may be required by the Vendor or the relevant Municipality in connection with the acceptance of the subdivision as a whole by the Municipality. Failure to comply with this paragraph is a FBOC.
41. Provided the title is good and free from all encumbrances except as herein provided, and except as to building and other restrictions, Municipal Subdivision and other development agreements and to any easement or right-of-way granted or to be granted for installation and/or maintenance of any service such as, but not limited to, public or private utilities including water, sewage, storm water drainage, gas, or electricity, and any and all telecommunications or cable lines whether servicing this or neighbouring properties, transmitting and receiving systems, mutual driveways, and for maintenance of adjoining dwelling units, if applicable. The Purchaser covenants and agrees to execute and deliver, without cost or charge to the Vendor, any such easements or rights-of-way after the Closing Date, within seven (7) days after receipt of written request therefor from the Vendor and shall also obtain the postponement to any such easement or right-of-way for any mortgages registered by or on behalf of the Purchaser. Furthermore, title to the Property may be subject to encroachments by portions of the buildings located on abutting lands, including without limitation eaves, eavestroughing, or other attachments to the roofs, vents, pipes, wires or cables and the Purchaser further acknowledges that portions of the Dwelling Unit may encroach onto abutting lands. Purchasers of all semi-detached or townhouse Dwelling Units acknowledge and agree that owners of adjoining semi-detached and townhouse dwelling units shall be permitted to have unfettered access and use of portions of the roof of their Dwelling Unit for purposes of maintaining, repairing and/or replacing, the whole or any portion of exposed facades which extend above the roof line of their Dwelling Units. The Purchaser accepts legal access to the subject Property even though it may be restricted by .3 metre reserves owned by the Municipality and not yet dedicated as public highway. The Purchaser is not to call for the production of any title deeds, abstract or other evidence of title except as are in the possession of the Vendor. The Purchaser is to be allowed until sixty (60) days prior to the Closing Date, to examine the title at the Purchaser's own expense and if, within that time, any valid objection to title is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove or to obtain title insurance to cover (with all related costs at the expense of the Purchaser) and which the Purchaser will not waive, this Agreement shall, (except for the Purchaser's obligations for extras or changes), notwithstanding any intermediate act or negotiations, be void and the deposit money shall be returned, without interest, and the Vendor and the Agent shall not be liable for any damages or costs whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Property. Except where electronic registration of the documents is available, the Purchaser

agrees to attend at the appropriate Registry Office at Twelve o'clock (noon) on the Closing Date to complete this transaction unless an alternate time has been specifically agreed upon between the Vendor and the Purchaser or their respective solicitors, in default of which attendance by the Purchaser, the Purchaser hereby waives tender by the Vendor and the Vendor need not thereafter establish that it could have effected a sufficient, good and valid tender upon the Purchaser. Any tender of documents or money or giving of notice herein may be made or given either upon or to the party hereto or the party's solicitor and money may be tendered by negotiable cheque certified by a Canadian Schedule "1" Chartered Bank. The balance due on the Closing Date shall be paid by certified cheque drawn on an Ontario lawyer's trust account on the Closing Date drawn in favour of those parties as may be directed by the Vendor and/or its solicitors.

42. The Vendor may assign this Agreement and its covenants and obligations herein to a third party, provided following such assignment, the Vendor shall notify the Purchaser of such assignment.
43. The Purchaser acknowledges receipt of notice from the Vendor that the Vendor and/or the Subdivider may apply for a re-zoning with respect to blocks or lots not purchased hereunder as laid down by the Plan of Subdivision or with regard to the lands adjacent to or near the lands laid down by the Plan of Subdivision, and the Purchaser, the Purchaser's successors and assigns, shall consent to any such application and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser to such re-zoning. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property and to assign the benefit of such covenant to the Vendor.
44. This Agreement is conditional and shall be effective to create an interest in the Property only if the subdivision control provisions of the Planning Act are complied with by the Vendor on or before the Closing Date. This Agreement shall be construed and interpreted in accordance with the laws of the Province of Ontario as such laws from time to time shall be in effect.
45. The Vendor will provide the Purchaser with a survey of the Property prepared by an Ontario Land Surveyor, showing the Dwelling Unit under construction, within seven (7) days of the Purchaser requesting same, provided that the Purchaser shall not request the survey more than twenty-one (21) days before the Closing Date.
46. The Purchaser acknowledges and agrees that in the event the Dwelling Unit being purchased herein is a semi-detached Dwelling Unit the subject lot will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of the lot.
47. The following provisions shall apply to your Closing, namely:
 - a) the Purchaser shall be obliged to retain a solicitor in good standing with the Law Society of Ontario (LSO) no later than thirty (30) days following acceptance of this Agreement and shall inform the Vendor with respect to the particulars of same, to represent the Purchaser in connection with the completion of the transaction, and shall authorize such solicitor to enter into an escrow closing agreement with the Vendor's solicitor on the latter's standard form (hereinafter referred to as the "**Escrow Document Registration Agreement**"), establishing the procedures and timing for completing this transaction. The Escrow Document Registration Agreement shall be consistent with the requirements of LSO. Should the Purchaser fail to retain a solicitor and maintain such retainer until successful completion herein or fail to inform the Vendor of the solicitor's identity as hereinbefore required, such omission shall be an anticipatory breach of this transaction entitling the Vendor to pursue all of its rights and remedies with respect to same;
 - b) the delivery and exchange of documents and monies for the Property and the release thereof to the Vendor and the Purchaser, as the case may be:
 - I. shall not occur contemporaneously with the registration of the transfer/deed (and other registerable documentation); and
 - II. shall be governed by the Escrow Document Registration Agreement, pursuant to which the solicitor receiving the documents and/or certified funds will be required to hold same in escrow, and will not be entitled to release same except in strict accordance with the provision of the Escrow Document Registration Agreement.
 - c) if the Purchaser's solicitor is unwilling or unable to complete this transaction via ERS, in accordance with the provisions contemplated under the Escrow Document Registration Agreement, then said solicitor (or the authorized agent thereof) shall be obliged to personally attend at the office of the Vendor's solicitor at time of the scheduled Closing Date as may be directed by the Vendor's solicitor or as mutually agreed upon, in order to complete this transaction via ERS utilizing the computer facilities in the Vendor's solicitor's office;
 - d) the Purchaser expressly acknowledges and agrees that he or she will not be entitled to receive the transfer/deed to the Property for registration until the balance of funds due on closing, in accordance with the statement of adjustments, are either remitted by certified cheque from the Purchaser's solicitor's trust account via personal delivery or if agreed to by the Vendor's solicitor, by wire transfer from the Purchaser's solicitor's trust account to the Vendor's solicitor (or in such other manner as the latter may direct) prior to the release of the transfer/deed for registration;
 - e) each of the parties hereto agrees that the delivery of any documents not intended for registration on title to the Property shall be delivered to the other party hereto on or before the Closing Date; and
 - f) notwithstanding anything contained in this Agreement to the contrary, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has:
 - I. delivered or electronically posted all closing documents and/or funds (if applicable) to the Purchaser's solicitor in accordance with the provisions of the Escrow Document Registration Agreement
 - II. has completed all steps required by ERS in order to complete this transaction that can be performed or undertaken by the Vendor's solicitor without the cooperation or participation of the Purchaser's solicitor; without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents and/or funds and without any requirement to have an independent witness evidencing the foregoing;
 - g) If the Purchaser or their respective solicitor fails to deliver closing funds and documents to the Vendor's solicitor by 4:30 p.m. on the Closing Date, the Purchaser hereby waives tender and the Vendor shall need not thereafter establish that it could have effected tender upon the Purchaser. The parties agree that the delivery of documents (other than documents to be

registered) on the Closing Date may occur by facsimile or electronic transmission or similar system reproducing them, provided that all documents have been properly executed by the appropriate parties, save and except for such documents as may be specified by the Vendor's solicitors as required original copies to be delivered on the Closing Date. The person transmitting the documents shall also provide original documents to the recipient within the time required by the Escrow Document Registration Agreement;

- h) Pursuant to subsection 3(1) of the Electronic Commerce Act of Ontario (the "ECAO"), as amended (or any successor or similar legislation) the Purchaser consents to use and accept any information and/or document to be provided by the Vendor and/or its solicitors in respect of this transaction in an electronic form if, when and in the form provided by the Vendor and/or its solicitors. The Vendor acknowledges and confirms that the Vendor has authorized its solicitors noted herein to transmit all information and documents executed by the Vendor in an electronic format with a "trued up" or copy of the signature(s) of an authorized signing officer(s) of the Vendor and that such "trued up" or copy of the signature(s) shall satisfy the signature requirements of the ECAO as an electronic signature unless otherwise prescribed by the ECAO wherein such other prescribed signature format shall be incorporated herein. The Vendor agrees that it shall be bound by all such information and documents when so transmitted and shall continue to be bound from and after the Closing Date as therein provided.
- i) The Purchaser shall reimburse the Vendor on Closing Date for the legal costs incurred with respect to electronic registration in the amount up to \$500.00 plus taxes.

EXTENSIONS:

48. The Vendor has the right to extend the Closing Date herein in accordance with the Addendum attached hereto, including without limitation the right for a one-time unilateral extension in its sole, absolute and unfettered discretion, to extend the Closing Date for one (1) business day (as defined in the Addendum) to avoid the necessity of tender, where the Purchaser is not ready to close on the Closing Date. In such a case, delayed closing compensation will not be payable to the Purchaser as set out in the Addendum. If the Dwelling Unit type cannot be sited or built on the Property in accordance with the requirements of the Municipality, subject to the right of the Vendor to make such changes to the Dwelling Unit as herein set out, this Agreement shall be considered as frustrated and the Purchaser shall be entitled to a refund of the deposit monies, with interest, but in no event shall the Vendor or the Real Estate Broker or any of its agents be liable for any damages or costs whatsoever.

ADJUSTMENTS ON CLOSING:

49. In the event the Municipality requires the installation of air conditioning in the subject Dwelling Unit, the Purchaser covenants and agrees to pay the cost therefore as an adjustment on the Closing Date, unless the provision of such air conditioning is included on a Purchaser's Extra sheet, such cost to be absolutely determined by Statutory Declaration on the part of the Vendor.

50. Utilities, including fuel, water rates, and hydro, to be apportioned and allowed to the Closing Date. Where, by the Closing Date, the Vendor is in receipt of a final land tax bill for the Property for the year of closing, taxes will be adjusted based upon such final land tax bill with the Vendor to receive a credit on the statement of adjustments for the Purchaser's proportionate share of the entire year's land taxes whether or not paid, and the Purchaser shall close on the Vendor's undertaking to pay such land taxes as they fall due. Otherwise, land taxes shall be adjusted based upon the Vendor's reasonable estimate of such year's land taxes with the Vendor to receive a credit on the statement of adjustments for the Purchaser's proportionate share of the entire year's land taxes, so estimated, and without further readjustment, and the Purchaser shall close on the Vendor's undertaking to pay such land taxes as and when the final land tax bill for the Property is received. Notwithstanding the foregoing, Municipal Realty Tax reassessment, supplementary tax bills and omitted tax bills relating to the Dwelling Unit constructed on the Property, regardless of the date of the bill, shall be the sole responsibility of the Purchaser.

51. The Purchaser covenants and agrees to reimburse the Vendor on the Closing Date for the enrollment fee paid by the Vendor for the Dwelling Unit with regard to Tarion and the Regulatory Oversight Fees paid by the Vendor to the Home Construction Regulatory Authority (HCRA).

52. The Purchaser agrees to take all necessary steps to immediately assume, charges for hydro, gas, water and other services, and the Vendor may recover any payments therefore from the Purchaser should they fail to have the utilities transferred to their name on the Closing Date. The Purchaser shall ensure that the utility providers have all necessary information to set up the utility accounts in the Purchaser's name as of the Closing Date. As more particularly set out in Schedule "HWT", the Vendor may enter into an Equipment Rental Agreement ("ERA") for a water heating system (which may be a tank or tankless system and related equipment). Purchaser will assume the ERA on the Closing Date without any further documentation being required. If the Vendor, or rental equipment supplier, requires any further information, or documentation to be signed by the Purchaser in relation to the ERA; the Purchaser is obligated to deliver same forthwith upon written request. If the water heating system is not a rental, the Purchaser shall reimburse the Vendor on the Closing Date the cost of the water heating system, such cost to be determined by Statutory Declaration sworn on the part of the Vendor. The water meter is not included in the Purchase Price. The Purchaser shall pay on the Closing Date the sum of Four Hundred and Fifty Dollars (\$450.00) (plus HST) for the cost of, or the charge made for, water service or installation of the water meter.

53. The Purchaser shall provide a refundable deposit on the Closing Date (the "Security Deposit") to secure compliance with the Purchaser's obligations hereunder including, without limitation, the Purchaser's grading and subdivision damage covenants. Such Security Deposit shall be equal to Five Thousand Dollars (\$5,000.00), all re-adjustments, without interest, to be made upon written request following Assumption, and after confirmation from the Vendor's project managers as to compliance with the Purchaser's obligations, as aforesaid. The Vendor has no obligation to return the Security Deposit to the Purchaser and such Security Deposit is hereby forfeited by the Purchaser if such written request is made more than five (5) years after Assumption. The Security Deposit is only refundable to the person(s) who are named on the transfer from the Vendor on the Closing Date.

54. The Purchaser shall pay to the Vendor, as an adjustment on the Closing Date, the amount of any increases in construction costs or additional expenses expended or incurred by the Vendor for the completion of the dwelling or property and which are over and

above those costs or expenses contemplated as at the date of the Purchaser's execution of this Agreement, and which costs or expenses arise as a result of and/or caused by changes to the Ontario Building Code or any other federal, provincial, municipal or other governmental or utility authority requirement or obligation (any such increase or additional expense being collectively referred to as the "Added Cost"). The amount of the Added Cost shall be determined by a Statutory Declaration sworn on the part of the Vendor, which the Purchaser agrees to accept as the sole and absolute proof thereof and to which the Purchaser agrees to be bound.

55. Any other charge or cost provided for in Schedule "ST" (as applicable) or elsewhere in this Agreement, the Schedules attached hereto or any amendment or modification thereof. The amount charged or to be charged by the Vendor's solicitors to the Vendor representing the transaction levy imposed by the Law Society of Ontario or any similar authority with respect to the within transaction. Unless otherwise provided for on a separate schedule or schedules, if the Vendor agrees to take back a mortgage(s), the Purchaser acknowledges that the Vendor's solicitors shall act for the Vendor in respect of the mortgage(s). The Purchaser shall pay on the Closing Date as an adjustment the mortgagee's legal fees and registration expenses in the sum of Seven Hundred and Fifty Dollars (\$750.00) (plus HST) plus disbursements per mortgage with respect to such mortgage(s), plus the levy of the Law Society of Ontario with respect to each such mortgage(s) registration.
56. All proper readjustments shall be made after the Closing Date, if necessary, forthwith upon request. Any monies owing to the Vendor pursuant to such readjustments or as a result of any expenses incurred by the Vendor arising from a breach by the Purchaser of any of the Purchaser's obligations described in this Agreement shall be payable upon written demand by the Vendor and shall bear interest from the date of written demand at the rate of 1.25% (one and one quarter percent) per month, or 15% (fifteen percent) per annum, not in advance and shall be a charge on the Property until paid and such charge shall be enforceable in the same manner as a mortgage in default.

VENDOR'S RIGHTS AFTER CLOSING:

57. At any time prior to Assumption, the Vendor may, following seven (7) days written notice to the Purchaser (except in the case of an emergency when no prior notice shall be required) enter upon the Property and relocate or remove any improvements made or installed by the Purchaser to the Dwelling Unit or the Property (which without limiting the generality of the foregoing includes air conditioning units, garden sheds, patios, porches, fences, plantings and driveway widenings, alterations in curbs or curb cuts) which do not conform or comply with the applicable By-Laws, Site Plan or Subdivision Agreement or which were installed without the requisite permits or approvals or which the Municipality or other lawful authority requires to be removed or rectified before Assumption, and the Vendor shall not be liable to the Purchaser for such removal or relocation nor shall the entry by the Vendor its servants or agents be considered a trespass. The Purchaser shall indemnify and save the Vendor harmless from any cost, charge, expense, interest, legal fees and disbursements on a full indemnity basis, penalty or outlay which arises from delay in Assumption and forthwith reimburse the Vendor for any and all costs, charges and expenses including overhead and supervision with respect to any work undertaken or performed by it.
58. The Purchaser agrees that the Vendor, the Subdivider or their servants or agents may, for such period after the Closing Date as is designated by the Vendor and/or Subdivider have the right to enter upon the Property; (a) after completion of the transaction in order to complete such items as are included in the Certificate of Completion and Possession; and (b) at all reasonable hours to inspect, repair, complete or rectify construction or grading and undertake modifications to the surface drainage, including installation of catch basins, (c) enter upon the Property and relocate, remove any improvement made or installed by the Purchaser which do not conform or comply with the applicable By-Laws, Site Plans or Subdivision Agreement or which were installed without the requisite permits or approvals or which the Municipality or other lawful authority required to be removed or rectified before Assumption, without liability therefore, and the Transfer/Deed may contain such a provision. Further, the Vendor shall have the right after the Closing Date, to enter upon the Property at all reasonable hours to permit access to complete construction, grading or any matter required by the Subdivision Agreement or Site Plan, on this or other properties in the subdivision or to complete the Dwelling Unit on this or any lands, provided however, the Vendor shall be responsible for all repairs to any damages caused by its entry as aforesaid to the Dwelling Unit constructed upon the Property by the Vendor. The Purchaser acknowledges that the Dwelling Unit is being constructed in a subdivision, which is, and may for some substantial period of time, be under construction and which will require the Vendor to enter upon the Property after the Closing Date. As such the Purchaser hereby indemnifies the Vendor and releases the Vendor from any liability caused by the Vendor or its trades and arising from damage to, destruction or removal of Purchaser's improvements or additions to the Property including, without limiting the generality of the foregoing, underground sprinklers, paving, interlocking stone or brick, fencing, air conditioning units, landscaping or decorative features, installed by the Purchaser on or after the Closing Date and prior to Assumption.
59. The Vendor may reserve and register a Vendor's lien and/or charge which may be registered on or after the Closing Date, following the Vendor's usual form, for unpaid monies or adjustments or claims herein, including without limitation the HST Rebate, provided together with the applicable or relevant interest thereon as set forth elsewhere in this Agreement. The Purchaser covenants and agrees to forthwith pay all costs in relation to such Vendor's lien, including without limitation, the Vendor's solicitor's legal fees and disbursements and the cost to register such Vendor's lien and/or charge on title to the Property. The Vendor will upon request deliver to the Purchaser (for registration at the Purchaser's expense) a release of the Vendor's lien and/or charge after such unpaid monies, adjustments or claims herein provided, as applicable, together with the interest thereon as provided for herein have been received by the Vendor. The Purchaser acknowledges and agrees that whenever the Vendor may have a right to a lien for any monies that may be owing to the Vendor from time to time, without prejudice to any of the Vendor's rights and remedies, may be secured by a charge in favour of the Vendor. On the Closing Date the Purchaser, and if applicable including the Purchaser's spouse, covenants and agrees to deliver to the Vendor, the Vendor's form of Acknowledgement and Direction authorizing the Vendor to register a charge upon the applicable lands for any monies that may be owing to the Vendor notwithstanding that the right to lien and/or charge the lands may not exist until after written demand by the Vendor.

MISCELLANEOUS:

60. The Purchaser acknowledges that the Dwelling Unit has been purchased on the basis of Sales Brochure material, which the Purchaser has viewed and not necessarily from a model. Notwithstanding anything herein written, if at the time that this Agreement is executed, the Dwelling Unit constructed on the Property has already been substantially completed, the Purchaser shall purchase the Property in an "as built" condition rather than in accordance with any other representations herein contained or in any sales brochure. The Purchaser acknowledges that all references to sales brochures, Site Plans, plans or marketing material in this Agreement includes paper, electronic or internet versions of the foregoing. The Purchaser acknowledges that the marketing material, sales brochures, Site Plans and/or plans may be amended from time to time. Should any information contained in the Sales Brochure, Site Plans, plans or marketing material be material to the Purchaser's purchase of the Dwelling, the Purchaser shall ensure that said information is contained in this Agreement or any amendments thereto, failing which the Purchaser shall not be able to rely on the information contained therein.
61. The Purchaser acknowledges that the model homes, if any, are for display purposes only, and that some or all of the features contained therein, such as but not limited to furniture and appliances, may not be included in the Dwelling Unit unless the same is specifically provided for in any schedule forming part of this Agreement.
62. The Vendor shall have the option to collect and remit the retail sales tax, if any, payable by the Purchaser on any adjustments set out in this Agreement on chattels which are purchased in this transaction as a charge on the Closing Date and the allocation of such chattels to be estimated, if necessary, by the Vendor.
63. The deposit monies and further deposit monies are expressly deemed to be deposit monies only and not partial payments. Default in payment of any amount payable pursuant to this Agreement on the date or within the time specified, shall constitute substantial default hereunder, and the Vendor shall have the right to terminate this Agreement and the Purchaser shall forfeit all deposit monies in full. In the event of a termination of this Agreement for the Purchaser's default, the deposit monies and further deposit monies are also expressly deemed not to be applied or credited towards the purchase price and shall not serve as a credit (or any other form of set-off) as against the damages incurred by the Vendor. Without prejudice to the Vendor's rights as to forfeiture of deposit monies as aforesaid, and in addition thereto, the Vendor shall have the right to recover from the Purchaser all additional costs, losses and damages arising out of default on the part of the Purchaser pursuant to any provisions contained in this Agreement, including but not limited to interest thereon from the date of demand for payment at the rate of 1.25% (one and one quarter percent) per month, or 15% (fifteen percent) per annum, not in advance until paid. In the event of default hereunder by the Purchaser entitling the Vendor to retain the deposit monies, the Vendor, without limitation to its rights hereunder or at law to recover or collect any other sum or amount shall also be entitled to collect from the Purchaser, as part of the Vendor's genuine pre-estimate of its damages, amounts calculated as follows: management and supervision fees in the amount of \$100.00 per day and insurance costs in the amount of \$25.00 per month or part thereof, from the date of termination of this Agreement due to the Purchaser's default to the date of completion of the resale of the Property. In the event that this Agreement is terminated through no fault of the Purchaser, all deposits shall be returned to the Purchaser without interest. If this Agreement relates to a Common Element Condominium, the Purchaser acknowledges that the Vendor shall not be required to return any amount paid by the Purchaser to the Vendor as Occupancy Fees. The Purchaser further acknowledges that the Vendor shall not be liable for any damages or costs whatsoever incurred by the Purchaser resulting from the termination of this Agreement including, without limiting the generality of the foregoing, relocation costs, professional fees and disbursements, opportunity costs, loss of bargain or any other damages or costs incurred by the Purchaser, directly or indirectly. The Purchaser acknowledges and agrees that this provision may be pleaded by the Vendor as a complete defense to any claim which may be made by the Purchaser against the Vendor.
64. If the Purchaser has received a credit or reduction against the Purchase Price in order to induce the completion of this transaction, accelerate the Closing Date of this transaction or to change or alter the construction specification of the Dwelling Unit and thereafter the Purchaser fails to complete this transaction, all damages shall be assessed as if such credit or reduction had not been granted.
65. The Purchaser acknowledges and agrees that a two hundred and fifty dollar (\$250.00) administrative fee, plus HST, shall be charged to the Purchaser for any cheque, wired funds or direct deposit from the Purchaser's solicitor's trust account paid to the Vendor or the Vendor's solicitors with respect to any deposit payable pursuant to this Agreement or any extras or upgrades which is returned "N.S.F.", "Not Cleared" or upon which a "Stop Payment" has been ordered and such administrative fee shall be paid within five (5) days of written demand therefore. In addition, the Purchaser shall pay any legal fees and disbursements charged by the Vendor's solicitors, as well as any administrative fees charged by the Vendor, plus applicable taxes, in connection with the Purchaser's failure or delay in complying with the terms of this Agreement, or in connection with any changes to adjustments or documentation necessitated by the Purchaser or their solicitors providing incorrect information or amending information previously provided, which fees shall be paid within five (5) days of written demand by the Vendor or its solicitors, or such earlier date as required by the Vendor or its solicitors. A two hundred and fifty dollar (\$250.00) plus applicable taxes, administrative fee shall be charged to the Purchaser for each wire transfer or direct deposit of funds to the Vendor's solicitors; and for each deposit cheque in the possession of the Vendor's solicitors that the Vendor permits to be: (i) exchanged for a replacement cheque; or (ii) deposited on a later date than the date indicated on the face of the said cheque; where such exchange or late deposit is at the request of the Purchaser. The Vendor may require that any replacement cheques be certified and are drawn from either the Purchaser's lawyer's trust account or the Purchaser's personal account (bank drafts from a Canadian Schedule "1" Chartered Bank, only will be accepted). The Purchaser shall only receive a credit for amounts actually received by the Vendor or the Vendor's solicitors pursuant to this Agreement. Any wire transfer fees or other bank or other charges deducted or paid out of Purchaser deposits or other monies paid by or on behalf of the Purchaser hereunder shall likewise be deducted from the corresponding amount to be credited to the Purchaser. Upon request from the Vendor, from time to time, the Purchaser will provide the Vendor evidence, in a form acceptable to the Vendor in its sole and unfettered discretion, that deposits were made with respect to the purchase of the Dwelling Unit.
66. In the event any one or more of the provisions of this Agreement or any portion or portions thereof are invalid or unenforceable, the same shall be deemed to be deleted herefrom and shall not be deemed to affect the enforceability or validity of the balance

of this Agreement. The Purchaser, if required by the Vendor, shall execute and deliver on the Closing Date one or more covenants incorporating the terms hereof.

67. The Purchaser acknowledges that the new home industry is multi-faceted and complex and that while sales agents are knowledgeable about most issues regarding the purchase and construction of a new home, they cannot be expected to know all aspects in detail. Accordingly, the Purchaser acknowledges that no representations have been made to the Purchaser, upon which the Purchaser relies, and which were essential to the Purchaser's decision to purchase this Property, except as are set forth herein in writing. There is no representation, warranty, collateral agreement or condition affecting this Agreement or the Property, or supported hereby, except as set forth herein in writing. The Purchaser is encouraged to have this Agreement reviewed by the Purchaser's solicitor prior to signing same. In the event there is a conflict between any term(s) in this Agreement, the Vendor shall determine which conflicting term(s) prevail(s). The Purchaser acknowledges and agrees that the covenants and obligations of the Vendor contained in this Agreement shall be those of the Vendor only and should the Vendor represent or act as trustee or agent on behalf of a beneficiary or principal (whether disclosed or undisclosed) in executing this Agreement, such beneficiary or principal shall have no liability under this Agreement, such liability being restricted to the Vendor only.
68. All buildings and equipment shall be and remain at the Vendor's risk until the Closing Date. In the event of any damage to the Dwelling Unit, howsoever caused, the Vendor shall be entitled to the insurance proceeds payable under any insurance policy coverage on the Dwelling Unit. The deed is to be prepared at the Vendor's expense, and shall be executed by the Purchaser if required by the Vendor and shall be registered forthwith on the Closing Date at the Purchaser's expense.
69. In the event that more than one party comprises the Purchaser herein, the obligations of such parties under this Agreement shall be joint and several. After execution of this Agreement, and save as to any agreement to terminate this Agreement, execution of any supplementary document (including without limiting the generality of the foregoing, amendments, extra sheets and colour charts) signed by one of the Purchasers shall be sufficient to bind all Purchasers and each such Purchaser expressly grants the other Purchaser(s) a power of attorney to so execute such documents. Provision of credit card information and verbal authorization to process charges to the Purchaser's credit card shall be good and sufficient authority to do so without signature. The Purchaser hereby consents to the Vendor conducting enquiries or exchanging credit information with the credit agencies concerning this Agreement or the Purchaser at any time. The Purchaser consents to the Vendor's collection and use of the Purchaser's personal information pursuant to this Agreement (the "Personal Information") as may be required to complete the construction and sale of the Dwelling Unit to the Purchaser. In addition the Purchaser consents to the distribution of Personal Information to any other trade, businesses, bodies or agencies as deemed appropriate by the Vendor which shall include but not be limited to (i) financial institutions or private lenders; (ii) insurance companies; (iii) any of the Vendor's trades or suppliers, property managers, or any sub-trades and sub-suppliers; (iv) providers of telephone, television, telecommunication, security and utility services; and (v) any taxing authorities, whether Federal, Provincial or Municipal. The Purchaser covenants and agrees to provide to the Vendor, forthwith upon request by the Vendor, all identity and other information required by the Vendor in order to comply with the Proceeds of Crime (Money Laundering) and Terrorist Financing Act, S.C. 2000 as amended, as well as the Financial Transaction and Reports Analysis Centre of Canada. If the Purchaser does not attend in person to sign this Agreement, then the Vendor may be required to verify the Purchaser's identity and/or the validity of their identification remotely or through electronic methods, to comply with various statutes and/or regulations. The Purchaser consents to the collection and use of the Purchaser's image and personal and other information contained on the identification submitted by them for verification purposes, which may include the use of third-party verification software. The Purchaser agrees to provide any information and/or documentation required by the Vendor and/or the verification software in order to verify the Purchaser's identity and/or confirm that the Purchaser's identification is valid. Should the Purchaser fail to provide the documentation or information requested within five (5) days of request from the Vendor, or should the software determine that the identification is not valid or the Purchaser's identity cannot otherwise be confirmed remotely in a fashion that satisfies the regulatory requirements in the Vendor's sole, absolute and unfettered discretion (the "ID Requirements") then the Vendor shall provide notice to the Purchaser to attend in person within five (5) days at a location designated by the Vendor for such purpose, and the Purchaser shall at that time provide such information and identification as requested by the Vendor to satisfy the ID Requirements. If the Purchaser does not satisfy the ID Requirements either remotely and/or in person such failure shall be an FBOC and the Vendor may terminate this Agreement and the Purchaser shall have no right or interest in or to the proposed Dwelling Unit or the Property.
70. This Offer is irrevocable by the Purchaser until one minute before midnight on the irrevocable date as hereinbefore set out, after which time if not accepted, this Offer shall be void and the deposit monies returned to the Purchaser, without interest or deduction.
71. This transaction to be completed on the Closing Date subject to the Vendor's various rights of extension as hereinbefore set out, on which date vacant possession of the Dwelling Unit is to be given to the Purchaser.
72. This Offer is to be read with all changes of gender or number required by the context and when accepted, shall constitute a binding contract of Purchase and Sale, and time shall, in all respects, be of the essence.
73. Headings are for the ease of reference only and shall not be read as part of this Agreement nor limit or modify any of the obligations of either party hereto.
74. All notice required by Tarion, shall be delivered to Purchaser in accordance with the terms of the Addendum. Any other notice required to be given to the Vendor or Purchaser, prior to or on the Closing Date, shall be adequately given if given in writing to the party's solicitor, or to the party's contact information, if any, set out on the Addendum. Any change of contact information by the Purchaser shall not be effective unless given in writing to the Vendor at its head office. If the Purchaser fails to provide an email address or the email address provided is no longer valid prior to the Closing Date, the Vendor may send any notices required by the Addendum via Registered Mail, and the Vendor will charge the Purchaser a fee of \$25.00 plus HST per notice. Any email updates must be provided in writing to the Vendor's address on the Addendum. Purchaser acknowledges that notice will only be sent to one (1) email address, noted on the Addendum, and that notice to said email address is deemed notice to all Purchasers.

75. In the event that this Agreement provides for any event to occur on a date, which is a Saturday, Sunday, or a Statutory Holiday, such event will occur on the first business day immediately thereafter unless the Tarion rules prescribe a different date in which case the Tarion rules shall prevail with regard to such date.
76. If, on or after registration of the Plan of Subdivision, the lot number of the Property is changed, the Purchaser agrees to accept such variation in lot number and this Agreement shall be read with all amendments required thereby.
77. If, prior to the Closing Date, the Purchaser fails to comply with any of the Purchaser's obligations herein or otherwise breaches any portion hereof, the Purchaser shall be deemed to be in default hereunder, and the Vendor may (in addition to any other remedy) terminate this Agreement whereupon the Purchaser's deposits shall be forfeited to the Vendor on account of liquidated damages and not as a penalty. The Vendor's non-enforcement of any default or remedy shall not be deemed to be a consent to any default or to be a waiver of any continuing or subsequent default.
78. The Purchaser acknowledges receiving one complete executed copy of This Agreement. The Purchaser is responsible for providing a copy of same to its solicitor. If the Purchaser requires any additional copies of this Agreement, for any reason whatsoever, and the Vendor agrees in its sole, absolute and unfettered discretion to provide a further copy; the Purchaser agrees to pay the fee for the additional copy, such fee determined by the Vendor.

HST:

79. The parties acknowledge and agree that the Purchase Price stipulated in the within Agreement is inclusive of any applicable Goods and Services Tax and the Harmonized Sales Tax ("GST/HST") levied pursuant to Part IX of the Excise Tax Act (Canada) (the "GST/HST Legislation") and that the actual consideration for the property, exclusive of any extras, requested changes or adjustments as herein provided, is the amount derived by subtracting the GST/HST payable with respect to the within transaction of Purchase and Sale (net all refunds, credits and rebates available to the Purchaser and assigned to the Vendor pursuant to the GST/HST Legislation and any regulations made thereunder) from the Purchase Price (the "Consideration"). The Purchaser acknowledges and agrees that the Vendor shall insert the Consideration in Box 4 of the Transfer/Deed of Land of the property that the Vendor delivers to the Purchaser on the Closing Date.
80. In consideration of the Purchase Price being inclusive of any applicable GST/HST, the Purchaser hereby irrevocably assigns to and in favour of the Vendor (or any other party as may be directed by the Vendor) any and all rights he may have on Closing or thereafter to any refunds, credits, rebates (the "Rebates") available with respect to the within transaction of Purchase and Sale pursuant to the GST/HST Legislation and any regulations made thereunder.
81. Subject to Paragraph 83 below, the Purchaser covenants, warrants and represents that the Purchaser is an individual whom is acquiring the property for use as their primary place of residence (or the primary place of residence of a "relation" as defined in the GST/HST Legislation) and that the Purchaser shall forthwith following the Closing Date personally occupy the property or cause one or more of their relations (as defined in the GST/HST Legislation) to occupy the property as his or their primary place of residence (as defined in the GST/HST Legislation) for such period of time as shall then be required in order to entitle the Purchaser to the Rebates. Ownership and title to the property shall be transferred to the Purchaser and not to any third party.
82. Subject to Paragraph 83 below, the Purchaser covenants and agrees to deliver to the Vendor, on the Closing Date any and all assignments, directions, applications, consents, declarations, undertakings and other documents required by the Vendor to enable the Vendor (or any other party as may be directed by the Vendor) to apply for and receive the Rebates. The Vendor shall have the right to credit the Rebates to the Purchaser and/or Vendor, as applicable pursuant to the provisions hereof on the Closing Date, as determined by the Vendor in its sole absolute and unfettered discretion. The Purchaser hereby irrevocably nominates, constitutes and appoints any officer of the Vendor (or any other party as may be directed by the Vendor) with full power of substitution, as the Purchaser's true and lawful attorney and agent pursuant to the provisions of the Powers of Attorney Act, R.S.O. 1990, with full power and authority in the Purchaser's name, place and stead, to execute, swear to and record any and all documents that may be required in order to have the Rebates paid and/or credited to the Vendor, or as the Vendor may direct, as well as making any minor changes, amendments, deletions or insertions to any documents previously executed by the Purchaser in connection with the Rebates. The Power of Attorney hereby granted is granted in accordance with the Powers of Attorney Act of Ontario and is irrevocable, shall survive the Closing, and will extend to and be binding upon the heirs, executors, administrators, successors and assigns of the Purchaser.

The Purchaser acknowledges that where a credit or credits against the Purchase Price are to be given to the Purchaser on Closing, any or all of such credit or credits, as determined by the Vendor in its sole, absolute and unfettered discretion, shall be reflected as a reduction in the Purchase Price for the purposes of calculation of GST/HST, so as to minimize the amount of GST/HST payable.
85. Notwithstanding that the Purchase Price stipulated in the within Agreement is inclusive of any GST/HST payable, the Purchaser shall, at his own cost and expense, be responsible for payment of GST/HST on all adjustments and amounts payable for extras and any increase in the rate of GST/HST after the date hereof up to and including the Closing Date.

86. The parties acknowledge and agree that as part of and included in the Purchase Price stipulated in the within Agreement, the Vendor has paid as agent for and on behalf of the Purchaser, for certain taxes, levies, imposts, building permit fees and certain development charges including education development charges and park surcharges applicable to the Property. The parties acknowledge and agree that these amounts may be shown separately in the Statement of Adjustments and subject to the GST/HST.

88. The Purchaser acknowledges that the purchase of any extras or upgrades from the Vendor may result in the reduction of the Rebates otherwise payable to the Vendor. In such event, the Purchaser shall pay to the Vendor the amount of such reduction as an adjustment on the Closing Date, as determined by the Vendor.

The Purchaser is to arrange the PDI with a representative of the Vendor and is to give the representative of the Vendor at least three (3) days prior notice of the said PDI. In the event of any items remaining uncompleted, at the time of such PDI, only such uncompleted items shall be listed by the Vendor on the approved forms required to be complete pursuant to the provisions of the Tarion Warranty Corporation (the "**Tarion Forms**"), which the Purchaser covenants to execute. In the event the Purchaser fails to attend to an inspection and/or has not executed the Tarion Forms prior to the Closing Date, such failure shall be deemed a FBOC and this Agreement shall, at the Vendor's sole option, be at an end and the Purchaser agrees that the deposit monies paid by the Purchaser hereunder shall be forfeited to the Vendor in addition to and without prejudice to any other remedy available to the Vendor arising out of such default. 94. The Purchaser acknowledges and accepts that the Dwelling Unit is located in an active and ongoing construction zone, and as such home construction on other lots or construction of subdivision services such as top coat of asphalt on roads and curbs may be incomplete for some time after Closing until the Vendor and/or the Subdivider has satisfied its obligations with the Municipality. Also, Subdivision services may still be unassumed at the time of Closing; roadways and sidewalks may be incomplete, uneven and/or closed to local traffic; kindly heed all speed zones, school zones and all warning signs. In the event of a conflict between images displayed online and the Vendor's original images or samples, the Vendor's original images or samples shall prevail. Execution and delivery of this Agreement, including any subsequent amendments or deliveries thereto, by electronic exchange bearing the copies of a party's signature or initials (which includes an electronic version of their signature or initials generated by the software used to complete the transaction) shall constitute a valid and binding execution and delivery of this Agreement by such party. Except as expressed herein, no party hereto shall raise the use of electronic mail attachment in "pdf" or similar format to deliver a signature, or the fact that any signature was transmitted or communicated as an attachment to an electronic mail message, as a defense to the formation of a contract and each party forever waives any such defense. An electronically scanned copy of a signature, or a signature signed by way of DocuSign signature or like software, shall constitute and shall be deemed to be sufficient evidence of a party's execution of this Agreement, without necessity of further proof. For certainty, the date of commencement of a wire transfer and any related information on the Purchaser's wire confirmation shall not be deemed fulfillment of the Purchaser's obligation hereunder to pay the deposit. The Purchaser shall be considered in default under the terms of the Agreement in the event the Vendor's bank does not confirm that the wire has been received in the amount and by the date required herein.
- f. If the Vendor has been wired funds from the Purchaser (whether on account of the first deposit or otherwise) that the Vendor is not prepared to accept:

- g. The Purchaser hereby covenants and agrees that he/she/it shall instruct and cause his/her/its bank to add the wire fees set out in the Vendor's wiring instructions to each amount being wired.
